about us:

Three decades ago, Emmbi Industries began with a simple belief – that there was always a better way to do the things we always did, and all we had to do was to look for it, pursue it diligently, and never give up in the face of adversity. From trading, to manufacturing, and to finally transforming into one of the world's leading organizations in the polymer industry, our journey has been eventful, as it has been exciting.

But as we transformed, so did the world around us. Climate change is real, a clear and present danger not just to business, but to the very existence of our planet, and life on it. And while governments do their part, we believe that there is only so much that they can do.

As one of the leading voices in the polymer industry, we believe it falls upon us to take definitive steps to contribute positively to the cause. Not just because it's the right thing to do, but because it's the only way to stay in business.

And, as we've always done throughout our illustrious history, when faced with a particularly vexing problem, we go back to the basics and we begin at the beginning.

We begin with zero.

THE EMMBI STORY: PIONEERING A BETTER WAY AND BRIGHTER FUTURE

The Emmbi Story

Emmbi Industries was founded in 1994 by first-generation entrepreneurs, Makrand and Rinku Appalwar. While many at the time were pursuing education and careers abroad, Makrand and Rinku's deep love for their country inspired them to stay in India. Originating from Chandrapur, Maharashtra — a prominent cement-manufacturing hub — Makrand identified an opportunity in the production of industrial-grade polymer bags. Both Makrand and Rinku believed in the immense potential of polymers to benefit humanity when used appropriately.

From the humble beginnings of a trading venture in Makrand's living room, the Company has grown into India's most esteemed polymer processing company. This journey of growth and innovation has been driven by a vision of excellence and championing sustainability worldwide. Despite this growth, the Company's vision of utilizing polymers for a brighter world has remained steadfast. From pioneering recycled Flexible Intermediate Bulk Containers (FIBCs) to creating the world's most affordable water conservation system, we have continuously embraced innovative ideas to enrich and uplift communities.

Our Vision: Creating a Brighter World for All Our Stakeholders

Brighter for our Customers

Whether it is their bright and colorful pattern or the legends of the genie with magical powers, traditional Arabian lamps have always held the mystique of bringing good fortune and riches to their owners. At Emmbi, we aim to do the same by thinking differently, which helps us add maximum value to our customers and their businesses. At Emmbi, we believe that it's not just our products but the buying experience in its totality that can make a difference to our customers. This is why we bring cutting-edge, cross-category knowledge to the table. This, coupled with the best production techniques, a lean manufacturing philosophy, and a near Six-Sigma level of operations, goes a long way in enhancing our customers' businesses.

Brighter for our Employees

Thomas Edison's invention has perhaps single-handedly changed the course of countless lives and history itself. The humble table lamp symbolizes the hard work and toil that millions of working-class individuals put in, in the quest for a better lifestyle. At Emmbi, we strive to brighten our employees lives through our various Human Resource policies and programs that encourage independent and creative thinking, entrepreneurial spirit, and active contribution to ideas.

Brighter for our Partners

Traditional earthen lamps are used in the annual "Chopda Pujan" performed by Indian businesses during Diwali, where businessmen pray to the goddess of wealth for greater prosperity. In our commitment to spreading prosperity to our partners, Emmbi has implemented a range of initiatives, from adopting the most modern ERP systems to ensuring total transparency in our dealings and automating our procurement processes. It is no surprise, then, that the majority of our partners, both national and international, have remained with us for as long as Emmbi has existed.

MESSAGE FROM THE CHAIRMAN & MANAGING DIRECTOR

Dear Shareholders

On behalf of Board & Employee of Emmbi, I proudly present to you, our annual report 2024-25. All our endeavors are driven by the goal of “Championing a Betterway”, glimpse of which, you will see throughout the report.

Having completed 30 years of Operations we now step into the next decade, which I am certain would bring us renewed growth, and prosperity. Your company today has transformed itself from being a standalone manufacturer of woven polymers or ‘Jumbo Bags’ as known domestically, to a wide range of polymers that find applications in Agri Business, Pharmaceuticals, Food, Power Generation, Defence and Environmental Conservation. Today we operate across continents, and have a presence in over 70 countries, and in the past year have strengthened our foothold in the lucrative markets of Japan, Germany and the Middle East. As the World evolves, so do our Buyers, and your company stands out here for we have been able to cater to their increasing demands, as the Global focus is on a path towards ‘Net-Zero’.

The Global Economy overall remained flat with a growth rate of 3.2% last year, however inflation, high interest rates, elections across the globe, either reduced or postponed both Investments, and Purchases. Whilst growth is not predicted to decline according to the IMF, Geo-political factors, uncertainties on Tariffs etc. are expected to dampen both Company, and Consumer Sentiments. India witnessed a 6.50% growth in fiscal '25, though the lowest since post-Covid it remained a bright spot, as it was better than some of the advanced economies. The Government on its part has charted a growth strategy via. both fiscal, and monetary initiatives, and policy setting. The lowering of taxes, infusion of liquidity, a path towards rationalisation of GST, and an increased impetus on promoting merchandise exports would augur well for both the economy, and your company.

Some of the initiatives that have been taken to augment both exports Volumes, and Value are increased Customer Engagement, higher direct sales to the End User, investments in people, and systems that would lead to improvement EBITDA margins. On the Domestic front whilst bulk bags, would contribute significantly to revenues, our renewed focus is on the premium segments. In addition, Avana’s foray into lower ticket products, that command a premium is expected to increase. We also see limited spend on Capital Expenditure this year, for we are operating at 75% Utilisation across our factories (as is the case with Indian Industry at large where Capacity Utilisation has been averaging in the 70s the past fiscal year), and better use of fixed costs would improve operating leverage and increase efficiencies.

Our People have been our biggest strengths, and the flagship program ‘Emmbi Rise’, has instilled a sense of purpose, and our clear communication across hierarchies has aligned the worker’s aspirations to the long-term vision of the company. We continue to invest in Technology, and improve our Processes, and in the coming quarters introduce new Products, both in the Domestic and Export Markets.

I take this opportunity to thank the Government of India, the Administration of the UT of Damman, Diu, Dadra, Nagar & Haveli, the various Statutory Bodies. We don’t like to rest on past laurels, and I take guard once again at the crease with the outlook of a fresh innings.

Thank You Shareholders,
Makrand Appalwar
Chairman & Managing Director

IN THE BEGINNING, WAS NOTHING

Shunyata (literally, nothingness) is a concept that is widely attributed to India, for its origin. Indeed, Zero (or Shunya) as a concept has deep roots in our ancient Indian philosophical and religious traditions. The renowned philosopher Nagarjuna, active around the 2nd century CE, anchored Mahayana Buddhism on the principle of 'emptiness', emphasizing the interdependent existence of phenomena

This philosophical understanding of 'emptiness' or 'void' laid the groundwork for the mathematical adoption of the number zero. By the 6th century AD, prominent Indian mathematicians like Aryabhata and Brahmagupta had begun employing zero as a placeholder in their calculations. The latter developed a set of rules for addition, subtraction, multiplication, and division with zero. For example, when zero is added to a number or subtracted from a number, the number remains unchanged; and a number multiplied by zero becomes zero. A debt minus zero is a debt; a debt subtracted from zero is a fortune. A fortune minus zero is a fortune; a fortune subtracted from zero is a debt.

Despite the number zero having quite literally no value, its concept has allowed mathematics to develop into what it is today. Its curation led to the three pillars of modern mathematics: algebra, algorithms, and calculus. The use of calculus (the mathematical study of continuous change), which the zero is crucial for, has allowed engineering and modern technology to be possible. The use of zero and one within the binary system is what made computing possible. So, without the invention of zero much of what we know today would not have been possible.

At Emmbi too, the concept of Shunyata drives us – especially when it comes to tracking and reducing Greenhouse Gases. To this end, we've put together a robust system in place to track emissions from vehicles and generators, indirect emissions from the electricity that we use, as well as emissions across our supply chain, transportation, employee commuting, and end-of-life product handling. Constant upgradation to our plant and machinery, responsible sourcing, and engaging with our vendors helps us in our path to Shunyata.

EXPLANATORY STATEMENT UNDER SECTION 102 OF THE COMPANIES ACT, 2013

The following Statement sets out all material facts relating to the Special Business mentioned in the Notice:

SPECIAL BUSINESS

Item No. 4:

Based on the recommendation of the Nomination and Remuneration Committee and pursuant to the provisions of Section 161(1) of the Companies Act, 2013 ("the Act") read with the Articles of Association of the Company, the Board of Directors of the Company at their meeting held on 12th February, 2025 had approved the appointment of Mr. Nimesh Ramniklal Mehta (DIN: 01487962) as an Additional Director, in the capacity of Non-Executive, Independent Director of the Company, not liable to retire by rotation, for a term of 3 (Three) years with effect from appointment date i.e. from 21st March, 2025 to 20th March, 2028 (both days inclusive).

In accordance with the provisions of Section 149 read with Schedule IV of the Act, the appointment of Independent Directors requires approval of the Members.

The Company has received a declaration from Mr. Nimesh Ramniklal Mehta (DIN: 01487962) to the effect that he meets the criteria of independence as provided in Section 149(6) of the Act and Rules framed thereunder and Regulation 16 (1)(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). In terms of Regulation 25(8) of Listing Regulations, he has confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties. He is not disqualified from being appointed as a Director in terms of Section 164 of the Act and he is not debarred from holding the office of director by virtue of any order passed by the Securities and Exchange Board of India / Ministry of Corporate Affairs or any such statutory authority.

Brief Profile:

Mr. Nimesh Mehta is a rank-holder Chartered Accountant and a Cost Accountant with over 30 years of rich experience in the field of Finance, Accounts, Treasury, Taxation, Investor Relations, Secretarial and Legal, and Compliance functions in Companies engaged in Cement, Viscose Staple Fibre, Real Estate, Retail and Manufacturing Sectors. As a CFO, his last assignment was with Lake Shore India Management Private Limited (Asset Manager to Lake Shore India Retail Venture Fund, CAT II AIF, backed by one of the top three largest sovereign fund in the world). He was also on the board of joint venture companies representing AIF and contributed significantly to rolling out ERPs, SOPs, Internal Financial Controls, setting up teams and managing the relationship with investors & JV partners. In his previous roles, he worked with Oberoi Realty Limited as Financial Controller and was a key member of the IPO team. He has also worked with Future Group as CFO of its wholly-owned subsidiary, housing retail formats, such as Ezone & Home Town. He started his career with Aditya Birla Group's flagship company Grasim Industries Limited and has handled Treasury, Investor Relations and was part of M&A Team.

He also served as independent member on the Investment Committee and Risk Committee of CAT III AIF and Fund Management entity providing Portfolio Management Services.

Brief detail of Mr. Nimesh Mehta is separately provided in the "Annexure" to this Notice, in terms of the provisions of (i) Regulation 36(3) of Listing Regulations and (ii) Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India. He shall be paid remuneration by way of fee for attending meetings of the Board or Committees thereof or for any other purpose as may be decided by the Board, reimbursement of expenses for participating in the Board and other meetings. An electronic copy of the letter of appointment of Mr. Nimesh Mehta containing the terms and conditions of appointment, is available for inspection. The Board recommends passing of this Ordinary Resolution as set out at Item No. 4 of this notice, for your approval.

Except Mr. Nimesh Mehta, None of the Directors and/ or Key Managerial Personnel of the Company and/or their respective relatives are concerned or interested either directly or indirectly, except to the extent of their respective shareholding in the Company, if any, in the Resolution mentioned at Item No. 4 of the Notice.

Item No. 5 :

Based on the recommendation of the Nomination and Remuneration Committee and pursuant to the provisions of Section 161(1) of the Companies Act, 2013 ("the Act") read with the Articles of Association of the Company, the Board of Directors of the Company at their meeting held on 29th March, 2025 had approved the appointment of Mr. Lalit Surendrakumar Shah (DIN- 01926590) as an Additional Director, in the capacity of Non-Executive, Independent Director of the Company, not liable to retire by rotation, for a term of 3 (Three) years with effect from appointment date i.e. from 29th March, 2025 to 28th March, 2028 (both days inclusive).

In accordance with the provisions of Section 149 read with Schedule IV of the Act, the appointment of Independent Directors requires approval of the Members.

The Company has received a declaration from Mr. Lalit Surendrakumar Shah (DIN01926590) to the effect that he meets the criteria of independence as provided in Section 149(6) of the Act and Rules framed thereunder and Regulation 16 (1)(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). In terms of Regulation 25(8) of Listing Regulations, he has confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties. He is not disqualified from being appointed as a Director in terms of Section 164 of the Act and he is not debarred from holding the office of director by virtue of any order passed by the Securities and Exchange Board of India / Ministry of Corporate Affairs or any such statutory authority.

THE ESSENCE OF LIFE

Circles are all around us—in nature, in the solar system, even the cells within our own bodies are largely circular in nature. As Pythagoras would say, the circle is the most perfect shape, it withholds all and everything emerges out of it. The center of the circle is like the ruling sun in astrology; the base from which everything exists or not—Little wonder then, that all our planets, stars and even galaxies, are all circular (or more accurately, spherical) in shape!

One of the most fascinating forms of the circle seen in nature is the rings that are seen in the bark of a tree. Scientists have long used these rings to estimate the age of trees. Turns out, there's a reason why we see tree trunks that are only round in shape, and never anything else. The layers of wood in a tree grow outward from the center in all directions. The growth hormones produced in trees at their tip, plays a role in promoting growth in a spiral or circular manner. And that is why we've never seen (and most likely, never will) a square tree trunk.

It seems that growing in the shape of a cylinder has a set of distinct advantages for a tree. A cylindrical shape provides the optimal strength on the top of the tree against wind and its heavy branches. A rounded tree can bend more easily than a flat-sided tree, because a cylinder can bend just as easily in all directions, depending on the wind direction. In other words, the tree can survive better. A cylindrical mass also allows trees to maximize volume within a relatively smaller surface area, which is advantageous for resource management and growth. Indeed, the rings in a tree trunk tell countless stories—of resilience, grit, determination, and hope—as a lone tree braves the onslaught of the excesses of the modern world.

At Emmbi, we are driven by the belief that we are only caretakers of our planet, and it is our duty to leave it at least as we found it, if not better, for our children. Which is why, The Emmbi Foundation takes the lead in afforestation and creation of green belts in the communities we serve. The Foundation also engages our largely rural communities in programs focused on water conservation, waste management, and climate education.

HUMAN RESOURCE DEVELOPMENT:

The Company's management team is focused on creating the best environment for the enthusiastic and dedicated workforce of Emmbi. Many New Programs and Work patterns were introduced during the year to enhance the "experience of work".

We continue to align the skill sets and capabilities of our current workforce, and the talent available in the market with the organization's ongoing and future business plans, to maximize return on investment and secure continual success. We also emphasize this through the blue colour in the company's logo, as it reflects the loyalty and trust that we bring to our blue collared workforce.

Our continued self-development initiatives include relevant training programmes and seminars, that addresses the needs of the workforce as well as the senior management.

QUALITY INITIATIVES:

Man-Machine interphase will only produce the accuracy and skill required for being a successful company in the coming years. Specially Manufacturing sector is changing its shape using modern technology tools like IoT (Internet of things) and ML (Machine Learning). The whole new concept of industry 4.0 will be practiced and implemented in Emmbi during coming years of operation.

This will also augment the project of Lean manufacturing which was adopted during past few years to control and make best use of the Human Capital. We are successfully practicing the same and the result can be seen in the increase of defect free production in year after year. The efforts of Lean Enterprise Management have led to higher productivity and increased profitability.

The above initiatives and our continuous adherence to strict quality standards has created tangible as well as intangible benefits to strengthen brand Emmbi.

MATERIAL CHANGES AND COMMITMENTS, AFFECTING THE FINANCIAL POSITION OF THE COMPANY WHICH HAVE OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR OF THE COMPANY TO WHICH THE FINANCIAL STATEMENTS RELATE AND THE DATE OF THE REPORT

We have broken the comments into Four Major Steps which will cover all the aspects connected to Capital and Financial resources, Profitability, Liquidity, Ability to service debt.

- 1) Supply Side Management: We have ensured that for all the critical and non-critical items minimum 3 suppliers are maintained, and a special focus is given in ensuring geographic separation to all supply sources. This will spread the Risk of common failure from all the suppliers at the same time. We are also maintaining slightly higher stock than our normal inventory level to avoid any stock out condition.

Kindly note that Emmbi continues its policy of non-speculative operations & we always do the procurement of inputs on the receipt of confirmed sales order.

- 2) Demand Side Management: To maintain and create new demand we have started various Short Term and Long Term, Marketing and Sales initiatives, Like reaching out to every customer and explaining them about the various products of Emmbi which they are not presently using. We have added around six new customers in four new geographies during this financial year. Also the new launch of Globally Patented (Filled) "Hyperbolic FIBC" has given a net edge to companies technical abilities giving Company an ability to reach up to more buyers in the existing geographies.

During the Year under consideration Company was able to produce and sale around 15 % of its production using 30 % Recycled content in it. It is sold under the registered brand "Reclaim 30" in the global market.

- 3) Manufacturing Side Management: In the present time availability of the Rightly Skilled Employees in one of the largest challenges. Presently all other parameters of the Manufacturing are under control.
- 4) Liquidity Management: Company is in a very stable financial condition.

The Company was remarkably successful in maintaining its Debtor realization. There have been no delays in the realization from the exports. Also note that entire Export debts are insured by party wise insurance by ECGC. Domestic Debtors has also shown a comfortable payment situation.

Other financial arrangements, assets, internal financial reporting and control, supply chain, demand for Company's products/services:

- 1) The Company has efficient systems in place for Internal Financial reporting and control. Even during the period of lockdown with work from home, all reporting systems worked seamlessly without any disruption.
- 2) The supply chain was the cause for concern during the initial lockdown period, however, gradually this issue has been sorted out. Going forward the Company is confident of coming back to normal shortly.

The Company's export order book remains robust and demand for the Company's products has not slackened leading us to believe that the Company is far better placed to serve its global customers.

WHEELS OF PROGRESS

The humble wheel is probably the most famous—and the most significant—circle of our times. Indeed, the invention of the wheel set off a completely new era, and in many ways, set off the era of industrialization itself.

The wheel was invented in the 4th century BC, in Lower Mesopotamia (modern-day Iraq), with the Sumerians inserting axles into circular discs of wood. By 2,000 BC, the discs began to be hollowed out to resemble the modern-day wheel—a design that has essentially remained unchanged ever since. Pottery and transportation were the first uses of the wheel and this, in turn had a profound impact on human civilization—the birth of agriculture, transportation, travel, trade and, ultimately, manufacturing itself.

Of course, the wheel had other uses as well. Perhaps the most famous wheel in India is the one seen at the Konark Sun Temple (pictured opposite). Legend has it that the Konark wheel is a sundial, and it was used to calculate the precise time of the day. The wheel was meticulously crafted with incredible precision, so that sunlight could pass through it to cast shadows that could be used to determine the time of day. The Konark wheel has 8 wider spokes and 8 thinner spokes. The wider spokes have a distance of 3 hours between them,

while the thinner spokes each represent 90-minute intervals. The distance between a wider spoke and the next thinner spoke is adorned with 30 beads, each of which represent 3 minutes of time. Whichever way you look at it, the wheel is perhaps the greatest symbol of human ingenuity and inventiveness, and the biggest catalyst of industrialization.

The spirit of Inventiveness and Innovation is something that drives every effort at Emmbi, in our quest for “Shunyata” in our environmental impact. Our product innovations are a testament to this spirit. Our Reclaim range of products incorporate up to 50% recycled polypropylene in our bags, making them significantly more environmentally friendly. Our Hyperbolic bags achieve a significantly lower raw material footprint, besides achieving 20% cost saving, thanks to lower material usage. These products are a testament to Emmbi’s commitment to our planet.

RISK MANAGEMENT

Business Risk

Unforeseen factors, be it related to industry, regulations, and/or the economy could affect business in an adverse manner, that could lead to impairment to income and capital. Also in a capital-intensive industry, any downward swings in revenues could be detrimental to earnings.

Emmbi is not in an industry that is overtly exposed to governmental regulations, and the fact that we have been profitable since inception and is a regular dividend payer mitigates the business risk to a large extent. Our capacity utilisation taking into account the expansion to 31032 mtpa stands at 76.96%. We have used a mix of out-sourcing, automation, and adoption of Industry 4.0, to ensure the best distribution of fixed costs. We consciously ensure that our production is not concentrated on one unit and is spread across five locations to mitigate any eventuality. We always maintain cordial and healthy relationship with workers, ensuring their safety and wellbeing.

Financial Risk

Emmbi's capital structure is very conservative, and its cash flows adequate to meet obligations when due. Also the fair value of assets, far exceed the book value providing additional buffer in the event of a remote outlier. We are also rated investment grade with a positive outlook on our debt, and are confident that in the next few years this would only improve given the growth in our business. In addition, we do not rely on one lender, and have multiple banking lenders, ample lines, and a good standing with all the lenders.

Liquidity Risk

We maintain adequate cash at all times. Despite making some purchases on an advance payment basis we have ample liquidity, and do not lock up our operating cash flow in non-core or unproductive assets. Inventories and debtors are managed prudently, and impairments negligible. Also the working capital cycle has shown a continual improvement over the past few years, and currently is under 112.09 days. We maintain a healthy dividend payout which cements that Emmbi is a very liquid company.

Single Product Risk

Emmbi's product line is well diversified with sales to over 200 clients in 70+ countries across 40 products. We have strategically reduced our dependence on low margin products. Our foray into the B2C has also decoupled our concentration risk, where the consumers are more granular in nature.

Single Geography Risk

Emmbi exports to 70+ countries and is not exposed to a single market or its vagaries.

Foreign Exchange Risk

Emmbi has an internal policy to hedge all its export revenues, and it has no exposure to foreign currency borrowings. The company also does not trade, or speculate in the foreign currency market or make any opportunistic positions.

Systems & Enterprise Wide Risk

We are compliant with best practices, as can be noted from the continual certifications, and the periodic audits. The Management at Emmbi does not view risks in silos, however analyse, how it can impact the whole organisation. The fact that Emmbi is an accredited as an R&D House by the Government of India also emphasizes that our risk management practices have been approved and commended by the Government.

Unforeseen Events

Whilst there are events, whose probability of occurrence may be very-low, however the impact can be very-severe, threaten disruptions to both earnings, and capital. Emmbi ensures that in case of such a rarity, its prudent way of decision making, policies, financial resources, flexible manufacturing, and experience of the Management, makes it on a better footing to handle such events.

MANAGEMENT DISCUSSION AND ANALYSIS

Forward Looking Statements

The report contains forward-looking statements, identified by words like 'plans', 'expects', 'will', 'anticipates', 'believes', 'intends', 'projects', 'estimates' and so on. All statements that address expectations or projections about the future, but not limited to the Company's strategy for growth, product development, market position, expenditures and financial results, are forward-looking statements. Since these are based on certain assumptions and expectations of future events, the Company cannot guarantee that these are accurate or will be realised. The Company's actual results, performance or achievements could thus differ from those projected in any forward-looking statements. The Company assumes no responsibility to publicly amend, modify or revise any such statements on the basis of subsequent developments, information or events.

Economy and Outlook

The Asian economies would be the major drivers, with India expected to grow at upwards of 6%, and China at 5%. Regional Banks in the US, high inflation could impact the US economy adversely; in most economies, especially Europe addressing cost-of- living, and dis-inflation seem the talking points, amongst policy-setters. Higher interest rates, and Russia-Ukraine tensions continue to weigh down the global economy, though inflation is expected to fall to 6% levels, before settling down to pre-covid levels of 3.50%.

India faced tough headwinds since the Russia-Ukraine conflict, elevated crude-oil prices, supply disruptions - on account of both the lack of shipping containers, and supply-chain issues, and tightening financial conditions. Government measures in terms of Capital Expenditures partly offset the slowdown in private consumption and led to India overtaking the UK as the fifth largest economy in the world. India is less exposed to international trade flows and is reliant more towards domestic consumption. India's current account remains in a comfortable, and foreign exchange reserves, more than adequate. The geopolitical situation also favours India in benefitting as a global supply-chain destination. The digitisation reforms and creation of platforms have led to financial inclusion across India's diaspora, and would be a major driver in the medium term. The diverse economy, positive governmental policies and reforms, improving socio-economic scenario, increased urbanisation, higher disposable incomes, a stable government has made it an attractive investment destination.

Sector Performance

The world is witnessing an exponential growth in the usage and consumption of polymers. Production that used to range at 340 million tons p.a. in 2010, crossed 550 tons at the turn of the decade (a CAGR of 10%). The completely man- made nature of polymers makes innovation and creation of new materials and applications limitless. The Polymer sector in India is estimated at over \$44 billion, and this is expected to exhibit near double-digit growth in the next five years. Despite being one of the world's largest economies, India lags in the consumption of polymers at just under 10kgs (World Average 30kgs).

There has been a perceptible up-tick in the past two years: the government's emphasis on infrastructure, the manufacturing pick-up, and the emphasis on water conservation products, are the primary double-digit growth drivers in the medium term.

Emmbi's Industries International and Domestic Business: Product Range

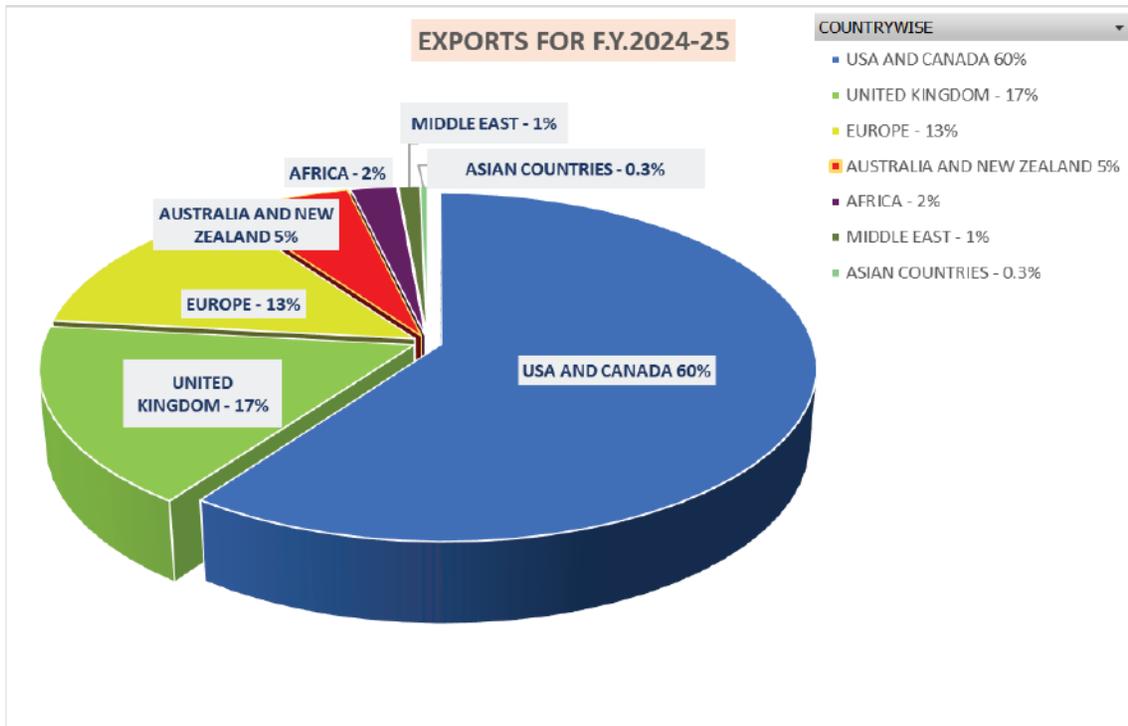

We are proud to state that we have products that cater to a global client base of over 200, spread across 70+ countries.

Business Split: Business Segments and Geographies

B2B

International

Revenues from Exports stood at Rs. 2684.37 million, notably across 70+ countries with North America being the largest contributor, followed by Europe. In addition to diversification across geographies, Emmbi's clientele include a wide range of industries.

B2B

Domestic Business

Domestic growth also witnessed a smart 10.63% over the previous year and stood at Rs. 2,053.48 million for fiscal '25. We have been prudent in growing this segment, despite it providing a predictable stream of revenues, for we firmly believe that resources should be allocated to business lines or products, that helps in maximising ROCE. Moreover, this is a highly competitive segment, where the buyers are highly price elastic. This coupled with the fact that Emmbi's manufacturing facilities are fungible, and we saw a margin driven growth in the export business, led us to focus on the International Segment.

B2C (Avana)

Revenues for fiscal 2025, seem sustainable on account of the following,

1. Introduction of Reclaim 30©
2. Improved capacity utilisation across all the factories.
3. Emmbi's innovation, track record, and distribution network makes it a first-choice provider for existing clients and serves as a referral base.
4. Consistent demand of products under Advance Composites & Speciality Packaging.
5. 'Avana' that has made a mark in few states, is expanding across Indian and introducing newer products, that have found tremendous acceptance.
6. The Government's initiatives for improving farmer's incomes, and a greater thrust across rural India on Pond manufacturing.

7. The Honourable PM's impetus on creating 50,000 ponds across India over the next few years, is very positive for Emmbi. We are today the World's largest pond lining company, and given our quality, and track record we are confident of winning a share of this business.
8. An increase in the consumption of polymer products across the globe.
9. Consumption Shift both in B2C, and B2B – the increased usage of e-commerce (Avanamart) polypropylene bags, polymer syringes, polymer lined tanks, polymer mixes in highways etc.
10. Our efforts at developing sustainable packaging that has found acceptance in the UK, and very soon we plan to roll this in Europe.

Emmbi's Manufacturing Operations: Plant Capacity and Utilisation

Plant capacity remained at 31,032 MT/ Annum and utilised capacity was 23,883 MT/Annum, and Capex spend was on routine maintenance. Industry 4.0 standards (IoT), and Robotic Process Automation (RPA) have increased operational efficiencies, improved product technicalities, and reduced wastage to a near zero levels.

Inventories Management

Emmbi's strategy of managing business in a non-speculative nature, translates down to its inventory management policies. We always make it a point to match the order pipeline to the inventory levels. Procurements of raw material is simultaneous to order booking, and that way neither the fluctuations in the prices of crude, and thereby its derivatives impact the income statement or capital in an adverse manner. Moreover, the relationship between crude prices, and polymer prices is not entirely direct. The floor cost of polymers, irrespective of the prices of crude, can be pegged around US \$ 1000-1050-1110 considering the fixed costs, and logistics. Finally, it is the many stages derivative Polypropylene that goes into our products, and the actual impact of crude price constitutes only under 15% of the total product component.

Despite this linkage, we as a policy continue to apply effective hedge mechanisms.

Earnings

The earnings resulted in an Earnings Per Share (EPS) of ₹3.67 on a standalone basis and ₹3.46 on a consolidated basis.

Quality and Adherence

We adhere to the latest international standards and believe in adapting the best practices in the industry, be it people, processes, quality of our products or internal systems. We are using an "Integrated Management System" (IMS) , a customised combination of ISO 9001:2015, 14001:2015 and 45001:2018. We have also reduced waste by 50%, and we plan to become a 'zero' waste company over the next eight quarters.

People and Processes

We continue in investing and developing existing talent, and source human resources when needed. We continue to conduct workshops on both technical, and soft skills, with the help of internally created teams, and external experts. We have in place a 'Whistle Blower' policy keeping in check with the best practices (Detailed in the Corporate Governance Section). We are proud to be the first polymer processing company to implement equal wages for male and female workers, in line with our principles of fairness, inclusivity, and compliance with applicable laws.

Information Technology

We continuously work to improve our industrial processes through the use of IT systems. This year, we upgraded our automatic cutting machines to include the use of a computer vision system to detect weaving defects in our technical textiles - reducing our cutting wastage by ~25%. We further expanded our install-base of Loom Data Management Systems (LDMS) to include all our needle looms as well. Our R&D teams are in early stages to build automations to improve our bagmaking efficiencies as well as extrusion line consistency. At the same time, this year we also made significant progress on automating some of our quotation and pricing calculations. Our largest selling product is fully custom made and streamlining the pricing system will improve the efficiency of the sales and bag design teams.

Research & Development

We are a full-fledged R&D Development centre, accredited by the Department of Science and Technology, the Government of India. Our R&D department is staffed with a 30 member team. As a policy we allocate ~2.50% of revenues towards research and product development. This not only helps us get tangible benefits like tax breaks, excise and VAT benefits, preferred bidder for Government projects, etc. We also get invaluable intangible benefits such as visibility in the international arena, through government initiatives.

Cautionary Statement

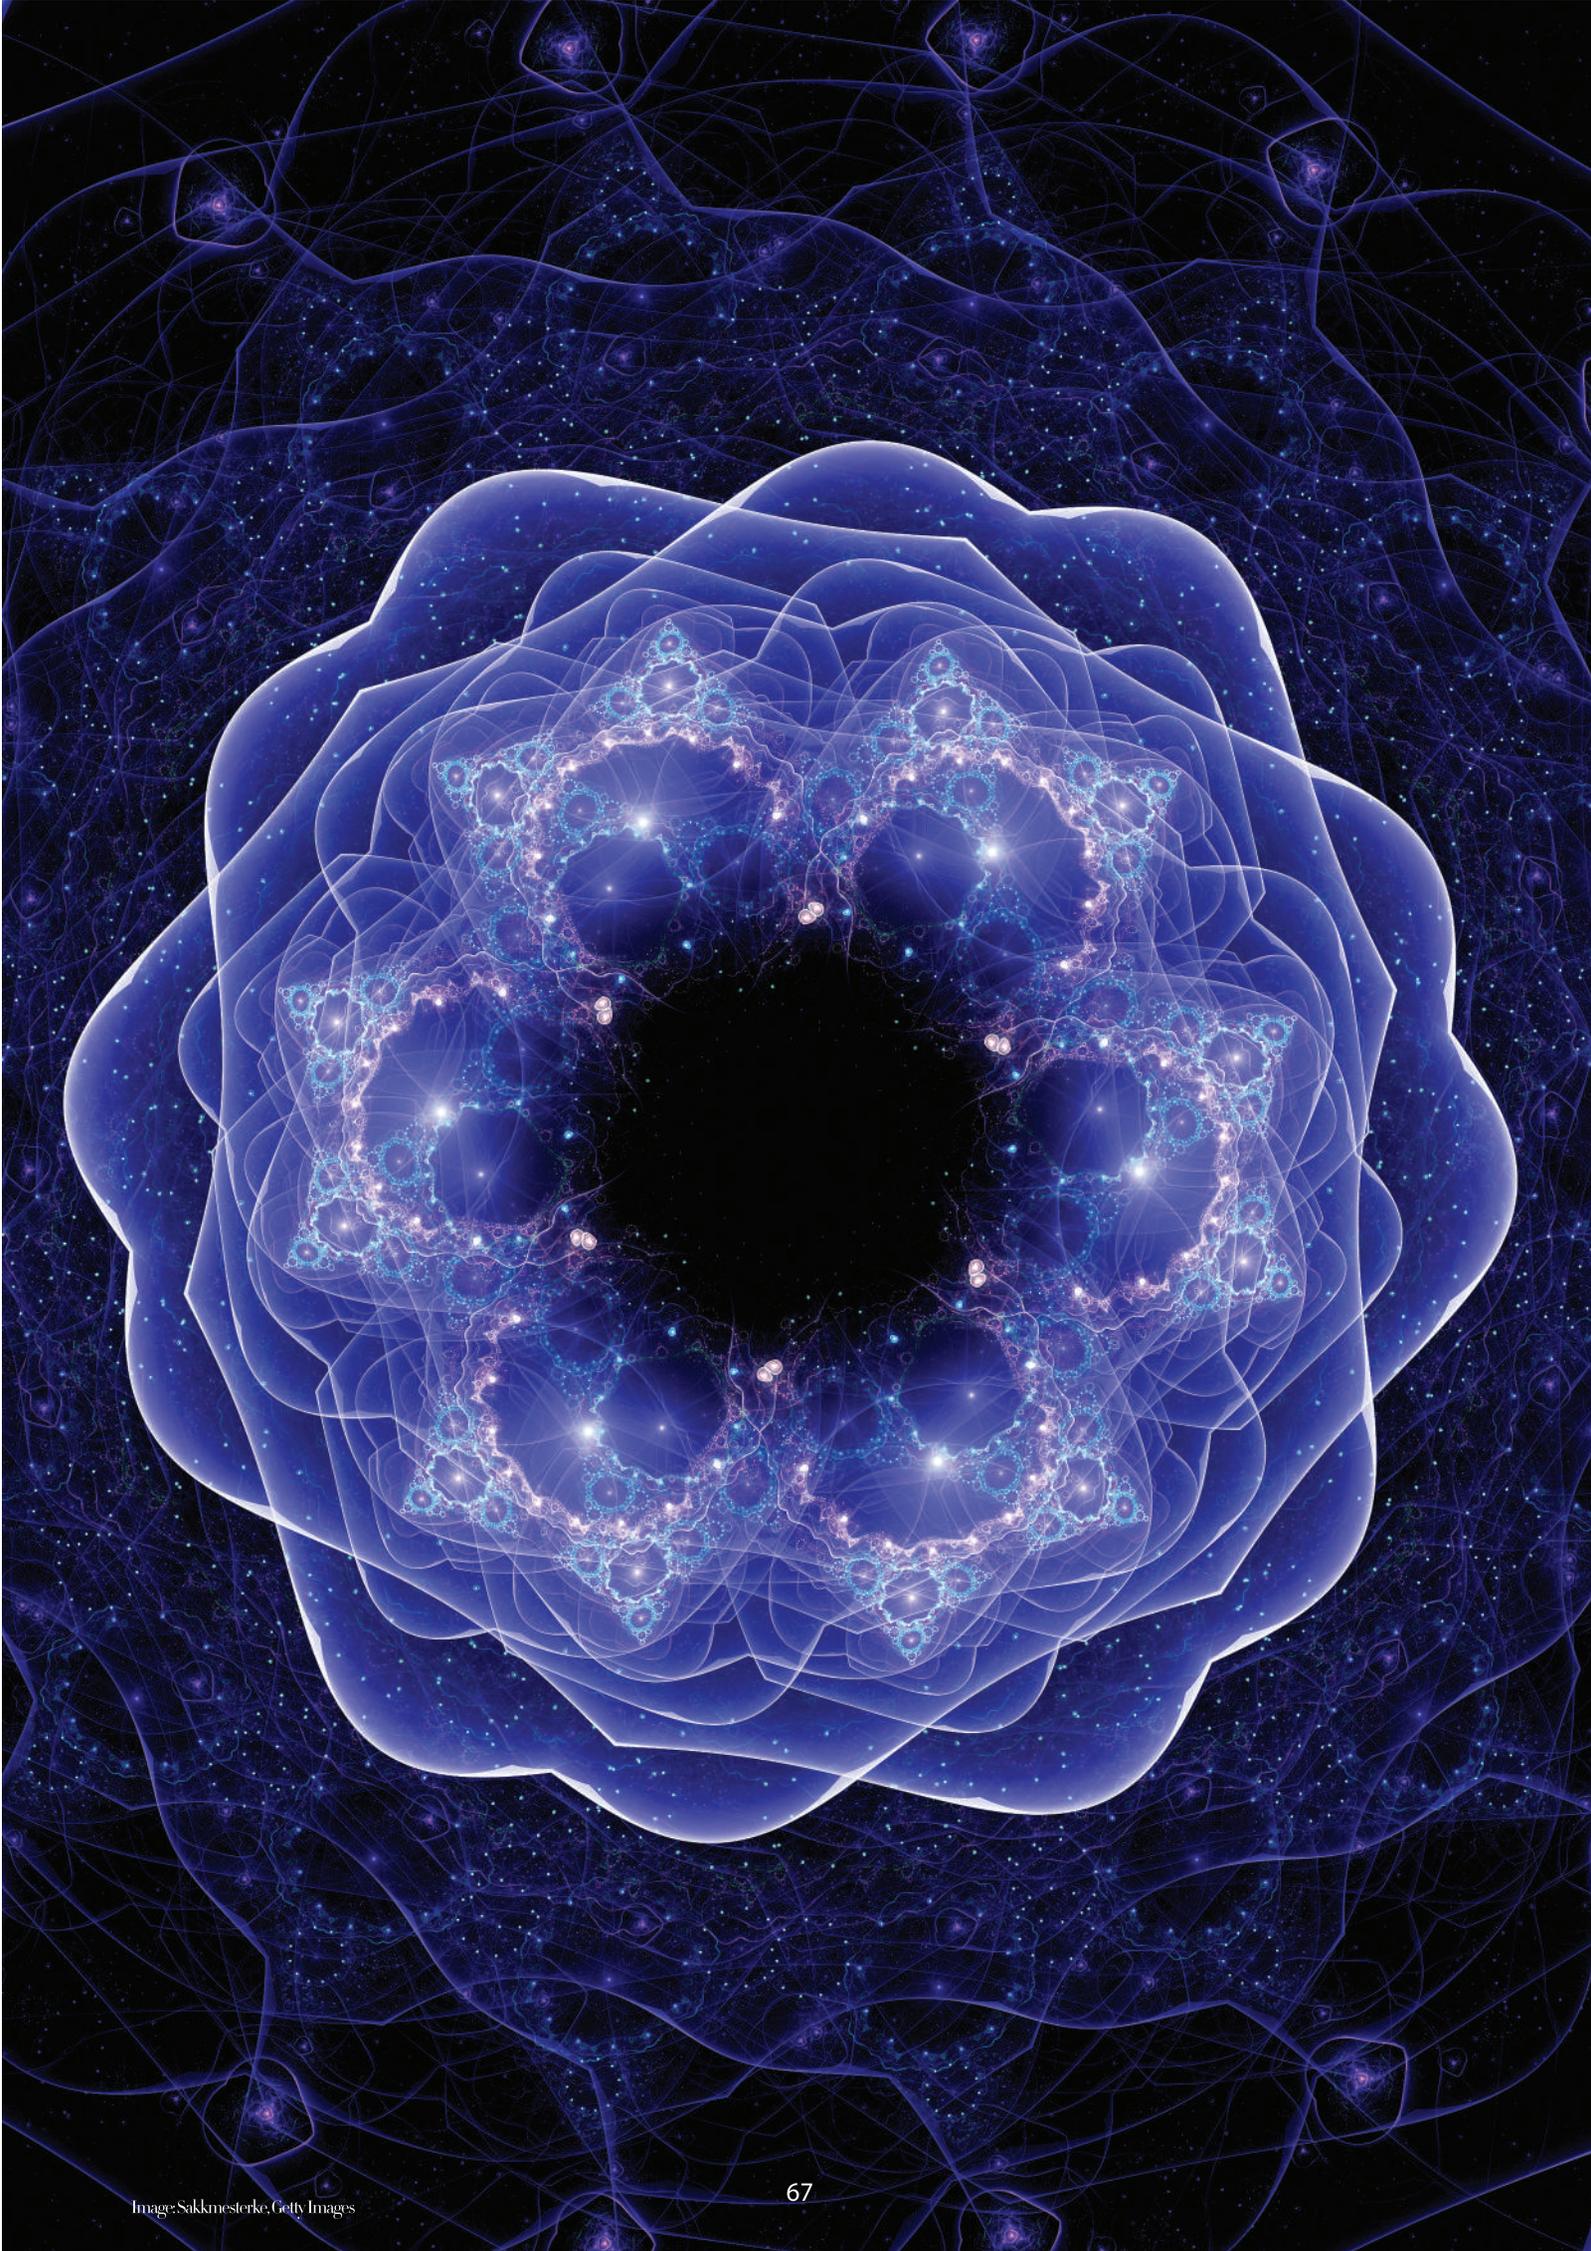

The estimation and expectation made in this report may differ from actual performance due to extraneous factors such as economic conditions, governmental policies, regulations, and other factors.

THE CIRCLE OF LIFE

Beyond the song made famous by Disney's Simba and friends in "The Lion King", the philosophy of life itself being circular is as old as humankind itself. Indeed, the circle as a concept—especially relating to life, living, and spirituality—finds a mention in cultures all around the world.

The circle depicts the complete story of creation. From nothingness, to consciousness, with the former being represented by the center of the circle, and the latter being the circumference within this nothingness. The eternal quest of humankind, as part of this consciousness, is to find ways to find the center of this circle again. We move towards the center in concentrated circles until we bring our own reality to a point, this circulation forms a circle. Enlightenment, is the bringing together of God (the point), and the cosmic consciousness (the circle)—Shunyata.

This, in essence, is the concept of the cosmic circle of infinity, which is represented in various cultures in different forms—from the Enso in Japanese culture, to the concept of the Flower of Life (the oldest depiction of which is over 5,000 years old and found in Egypt), to labyrinths (popular in Greek and Roman cultures), to the Mandala, that is popular in Indian cultures. All other complex signs based on circles are amplifications and variations of this ancient, prototypical symbol.

Unsurprisingly, the other significant aspect of these ancient philosophies is moderation, balance, giving back (to Society, Nature, the Universe, and God Himself), and an attitude of gratitude. The most popular symbol of this balance is perhaps the Yin and the Yang.

At Emmbi too, we are driven by this timeless philosophy. In fact, it is deeply ingrained in our business practices, processes and actions—whether it is our employee policy, vendor relations, product development, marketing and sales, or our initiatives within the societies that we impact. Winning at business, we believe, need not always be a zero-sum game.

CORPORATE GOVERNANCE CERTIFICATE

To,
The Members of
EMMBI INDUSTRIES LIMITED
CIN: L17120DN1994PLC000387

PRACTISING COMPANY SECRETARY CERTIFICATE ON COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

1. I, Sanjay Dholakia, Practising Company secretary, the Secretarial Auditor of EMMBI INDUSTRIES LIMITED ("the Company"), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on 31st March, 2025, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations).

Managements' Responsibility

2. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in Listing Regulations.

Auditor's Responsibility

3. My responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. I have examined relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

Opinion

5. Based on my examination of the relevant records and according to the information and explanations provided to me and the representations provided by the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the Listing Regulations during the year ended 31st March, 2025 except in the case of the following:
- ***The Company has received notice from BSE & NSE dated 28th June, 2024 for Regulation 23(9) for delayed submission of disclosure of related party transactions on consolidated basis and levied fine of Rs. 5900/-, in response to which the Company has submitted waiver application with Stock Exchange for the same and have also paid the fine under protest.***
 - ***During the period under review, the Company has initially paid remuneration to Ms. Maithili Appalwar, Daughter of Mr. Makrand Moreshwar Appalwar (Managing Director) & Mrs. Rinku Makrand Appalwar (Whole time Director & CFO) and accordingly considered as Related party, without obtaining prior approval from the Board, Audit Committee & Members of the Company violates the provision of Regulation 23(4) of SEBI (LODR) Regulations, 2015, however the Amount paid by way of Remuneration to Ms. Maithili Appalwar has been repaid by her to the Company before end of the financial year and process of obtaining requisite approval had been initiated for her formal appointment and payment of remuneration.***
6. I state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

**TO THE MEMBERS OF
EMMBI INDUSTRIES LIMITED**

REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying standalone financial statements of Emmbi Industries Limited ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2025, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year ended on that date, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion there on, and we do not provide a separate opinion on these matters.

We have determined the following matters to be the key audit matter to be communicated in our Report.

Key Audit Matter	Auditor's Response
<p>Revenue Recognition</p> <p>-The Company recognises revenue from sale of products when performance obligations are fulfilled at the time of dispatch.</p> <p>-We identified the Company's assessment of the timing of fulfilment of its performance obligation towards the customers at point of time of dispatch to goods as a key audit matter since application of revenue recognition accounting standard (IND AS 115, Revenue from Contracts with customers) is complex and involves a number of key judgements and estimates in mainly identifying performance obligations and related transaction price.</p> <p>-(See Note 3.4 & Note 26 to the standalone financial statements)</p>	<p>-In view of the significance of the matter we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:</p> <p>-We obtained an understanding of the revenue recognition processes, systems and controls implemented by the Company for recording revenue and tested the Company's controls around the timely and accurate recording of sales transactions;</p> <p>-On selected specific samples of contracts, we tested that the revenue recognised is in accordance with the revenue recognition accounting standard including</p> <ul style="list-style-type: none"> - Evaluated the identification of performance obligations and the ascribed transaction price; and <p>-Verified the underlying sales contracts and other related documents that evidence the dispatch and shipment of goods to the customers.</p>

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report Board Report including annexures to the Board report but does not include the Standalone Financial Statement and our auditors' report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including total comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India..

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management and the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to the Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and the Board of Directors
- Conclude on the appropriateness of Management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "ANNEXURE A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act. The Ministry of Corporate affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company doesn't have any long term contracts including derivative contracts requiring provision for material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

- iv. a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- v. The dividend declared or paid during the year by the Company is in compliance with Section 123 of the Act.
- vi. Based on our examination, which includes test checks, the company has used such accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "ANNEXURE B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE – A TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in Paragraph 1(f) of the Report on Other Legal and Regulatory Requirements’ in our report of even date).

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. We have audited the internal financial controls over financial reporting of Emmbi Industries Ltd. (“the Company”) as of 31st March, 2025 in conjunction with our audit of the Ind AS standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility For Internal Financial Controls

1. The Company’s management is responsible for establishing and maintaining internal financial controls based on internal controls over financial reporting criteria established by the company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act 2013 (“ the Act”).

Auditor’ Responsibility

2. Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under Section 143 (10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
3. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risk of material misstatement of the Ind AS financial statements, whether due to fraud or error.
4. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting.

Meaning Of Internal Financial Controls Over Financial Reporting

5. A company’s internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

6. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial reporting issued by ICAI.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

For The Year Ended On 31st March 2025

NOTE 1: COMPANY OVERVIEW

EMMBI INDUSTRIES LIMITED (“Emmbi” or “The Company”) is a public limited company incorporated and domiciled in India and has its registered office at Silvassa, UT of Dadra & Nagar Haveli and Daman & Diu, India. The Company has its primary listings on the BSE Limited and National Stock Exchange (India) Limited. The financials were authorized for issuance by the company’s Board of Directors and Audit Committee on May 24th 2025.

The principal activities of the Company comprise of Manufacturing of HDPE & PP - Woven Polymer Based Products.

NOTE 2: BASIS OF PREPARATION AND MEASUREMENT

2.1 Statement of Compliance

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015, as amended, and other relevant provisions of the Act.

The Consolidated financial statements are presented in addition to the Standalone financial statements.

2.2 Accounting Convention and Basis of Measurement

The financial statements have been prepared on the historical cost convention and on an accrual basis, except the following material items that have been measured at fair value as required by relevant Ind AS:

- i. Certain financial assets measured at fair value (refer accounting policy on financial instruments)
- ii. Defined benefit and other long – term employee benefits.

2.3 Functional and presentation currency

The financial statements are presented in Indian rupees, which is the functional currency of the company and the currency of the primary economic environment in which the company operates. All financial information presented in Indian rupees has been rounded to the nearest millions of rupees except share and per share data.

2.4 Use of Judgements, estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses and the disclosure of contingent liabilities and contingent assets. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions in respect of following areas, that have most significant effect to the carrying amounts within the next financial year are included in the relevant notes.

- i. Useful Lives and Residual values of property, plant and equipment and intangibles.
- ii. Measurement of defined benefit obligations.
- iii. Measurement and likelihood of occurrence of provisions and contingencies.
- iv. Recognition of deferred tax assets.

2.5 Operating Cycle

Based on the nature of products / activities of the company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

NOTE: 3 SUMMARY OF MATERIAL ACCOUNTING POLICIES

3.1 Property, Plant and Equipment (PPE)

- i. Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any.
- ii. The cost of property, plant and equipment includes those incurred directly for the construction or acquisition of the assets, and directly attributable to bringing it to the location and condition necessary for it to be capable of operating in the manner intended by the management.
- iii. The cost of major spares is recognised in the carrying amount of the item of property, plant and equipment, in accordance with the recognition criteria set out in the standard. The carrying amount of the replaced part is derecognized at the time of actual replacement. The costs of day-to-day servicing of the item are recognised in statement of profit and loss as incurred.
- iv. Depreciation on tangible assets including those on leasehold premises is provided under straight line method over the useful life of assets specified in Part C of Schedule II to the Companies Act, 2013 and in the manner specified therein, except in respect of dyes and molds which are depreciated over their technically estimated useful lives on straight line method.
- v. Depreciation methods, useful lives and residual values are reviewed at each reporting date and accounted as change in accounting estimate.
- vi. Each component / part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately only when it has a different useful life. The gain or loss arising from the de-recognition of an item or property, plant and equipment is included in statement of profit and loss when the item is derecognized.
- vii. Expenditure attributable / relating to PPE under construction / erection is accounted as below:
 - A. To the extent directly identifiable to any specific plant /unit, trial run expenditure net of revenue is included in the cost of property, plant and equipment.
 - B. To the extent work not completed to any specific plant /unit, is grouped under 'capital work-in-progress'.

3.2 Intangible Assets

- i. Intangible asset is recognised when it is probable that future economic benefits attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably.
- ii. Acquired Brand and Knowledge Development Cost is recognized as intangible asset upon completion of development and commencement of commercial production.
- iii. Intangible assets are amortized on straight line method over their technically estimated useful lives.
- iv. Useful lives for all intangible assets are reviewed at each reporting date. Changes, if any, are accounted for as changes in accounting estimates.

3.3 Inventories are valued as under:

I) Raw materials, components, consumables and stores & spares	Cost or net realisable value, whichever is lower.
II) Work in progress and finished goods	Net realisable value or cost of materials plus cost of conversion and other costs incurred in bringing them to the present location and condition, whichever is lower
III) Consumable Spares	Cost or net realisable value, whichever is lower.

3.4 Revenue from contracts with customers

The Company derives revenues primarily from sale of HDPE & PP - Woven Polymer Based Products.

Ind AS 115 "Revenue from Contracts with Customers" provides a control-based revenue recognition model and provides a five step application approach to be followed for revenue recognition.

- Identify the contract(s) with a customer;
- Identify the performance obligations;
- Determine the transaction price;
- Allocate the transaction price to the performance obligations;
- Recognise revenue when or as an entity satisfies performance obligation

Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding central taxes or duties collected on behalf of the Government. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. The Company discloses amounts including Goods and Services Tax collected on behalf of the Government for better and more transparent disclosures. However, Revenue from Operations stated in the Statement of Profit and Loss is net of GST collected from the customer.

Sale of goods

- a. Inland sales have been accounted for at the time of dispatch of goods from the factory as the sales are on FOB basis.
- b. Export sales have been accounted for at the time of dispatch of goods from the factory as the sales are on FOB basis.

3.5 Employee Benefits

i) Short Term Benefits:

All employee benefits falling due wholly within twelve months of rendering the services are classified as short term employee benefits. The cost of the benefits like salaries, wages, medical, leave travel assistance, short term compensated absences, bonus, ex gratia, etc. is recognised in the period in which the employee renders the related service.

ii) Post Employment Benefits:

A) Defined contribution plans:

The contribution paid/ payable under provident fund scheme, ESI scheme and employee pension scheme is recognised as expenditure in the period in which the employee renders the related service.

B) Defined Benefit Plans:

The company's obligation towards gratuity is a benefit plan. The present value of the estimated future cash flows of the obligation under such plan is determined based on actuarial valuation using the projected unit credit method. Any difference between the interest income on plan assets and the return actually achieved and any changes in the liabilities over the year due to changes in actuarial assumptions or experienced adjustments within the plan are recognised immediately in other comprehensive income and subsequently not reclassified to the statement of profit and loss.

3.6 Foreign Currency Transactions

- i. Transactions relating to non-monetary items and sale of goods/ services denominated in foreign currency are recorded at the exchange rate prevailing or a rate that approximates the actual rate on the date of transactions.
- ii. Assets and liabilities in the nature of monetary items denominated in foreign currency are restated at prevailing exchange rate as at the end of the reporting period.
- iii. Exchange differences arising on account of settlement/conversion of foreign currency monetary items are recognised as expense or income in the period in which they arise.

3.7 Current Tax and Deferred Tax

i) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

ii) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profits differ as reported in the statement of profit and loss because of items of income and expense that are taxable or deductible in other years and items that are never taxable or deductible. The company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period

Provisions of Section 115BAA of the Income tax Act, 1961 gives benefit of a reduced corporate tax rate for domestic companies and states that the domestic companies have the option to pay tax a rate of 25.168%. The Company adopted and shifted to the new tax regime in the previous year (FY 2023-24). The impact of this change leads to the reduction in the direct tax outflow of the Company

iii) Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all temporary differences to the extent that it is possible that taxable profits will be available against those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

3.8 Borrowing Costs

- i. Borrowing costs incurred for obtaining assets which take substantial period to get ready for their intended use are capitalized to the respective assets wherever the costs are directly attributable to such assets and in other case by applying weighted average cost of borrowings to the expenditure on such assets. Post the commercial production or trial run, borrowing cost will be treated as expense for the year.
- ii. Other borrowing costs are treated as expense for the year.

3.9 Financial instruments (Financial assets and financial liabilities)

- i. All financial instruments are recognised initially at fair value. The classification of financial instruments depends on the objective of the business model for which it is held and the contractual cash flows that are solely payments of principal and interest on the principal amount outstanding. For the purpose of subsequent measurement, financial instruments of the company are classified into (a) Non-Derivative financial instruments and (b) Derivative financial instruments.
- ii. Financial Instruments
 - A) Security deposits, cash and cash equivalents, employee and other advances, trade receivables and eligible current and non-current financial assets are classified as financial assets under this clause.
 - B) Loans and borrowings, trade and other payables including deposits collected from various parties and eligible current and non-current financial liabilities are classified as financial liabilities under this clause.
 - C) Financial instruments are subsequently carried at amortized cost wherever applicable using Effective Interest Rate method (EIR) less impairment loss.
 - D) Transaction costs that are attributable to financial instruments are recognized at amortized cost which are included in the fair value of such instruments.

3.10 Impairment

- i. Financial Assets
 - A) The company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure.
 - Financial assets that are debt instruments, and are measured at amortized cost wherever applicable for e.g. loans, debt securities, deposits, and bank balance.
 - Trade Receivables
 - B) The company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component. The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

- ii. Non-financial Assets

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial asset is impaired. If any such indication exists, the company estimates the amount of impairment loss.

3.11 Provisions

- i. Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefit will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.
- ii. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risk and uncertainties surrounding the obligation
- iii. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

3.12 Earnings Per Share (EPS)

- i. Basic EPS is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year/ period.
- ii. Diluted EPS is computed by dividing the profit after tax, as adjusted for dividend, interest and other charges to expenses or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic EPS and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

3.13 Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a Lessee

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets (presented under property, plant and equipment in the Balance Sheet) is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the amount lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments.

The Company recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the remeasurement in statement of profit and loss.

The Company has elected not to apply the requirements of Ind AS 116 to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

Company as a Lessee

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. The Company recognises lease payments received under operating leases as income on a straight- line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease. When the Company is an intermediate lessor it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short term lease to which the Company applies the exemption described above, then it classifies the sub-lease as an operating lease. If an arrangement contains lease and non-lease components, the Company applies Ind AS 115 Revenue to allocate the consideration in the contract.

3.14 Going Concern

The directors have, at the time of approving the financial statements, a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. When preparing financial statements, management makes an assessment of the group's ability to continue as going concern. Financial statements is prepared on going concern basis unless management either intends to liquidate the group or to cease trading, or has no realistic alternative but to do so. When management is aware, in making its assessment, of material uncertainties related to events or conditions that may cast significant doubt upon the group's ability to continue as going concern, those uncertainties are disclosed. When the financial statement is not prepared on a going concern basis, that fact is disclosed, together with the basis on which the financial statement is prepared and the reason why the group is not regarded as going concern.

3.15 Subsequent Events

Financial statements are approved after considering 'Adjusting Event' and 'Non-adjusting event'. Adjustments to assets and liabilities are made for events occurring after the Balance Sheet date that provide additional information materially affecting the determination of the amounts relating to conditions existing at the Balance Sheet date or because of statutory requirements or because of their special nature. For non-adjusting events, the Company may provide a disclosure in the financial statement considering the nature of the transaction

4.1 Changes in accounting policies and disclosures New and amended standards effective in current year that begins on or after 1 April 2024

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. Retirement age	58 years	58 years
Mortality rate	Indian Assured Lives Mortality (2012-14) Ultimate Mortality Rates	Indian Assured Lives Mortality (2012-14) Ultimate Mortality Rates

B. Risk Exposure

Through its defined benefit plan, the Company is exposed to a number of risks, the most significant of which are detailed below.

Life expectancy:

This is particularly significant where inflationary increases result in higher sensitivity to changes in life expectancy.

Future salary increase and inflation risk:

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

NOTES ON STANDALONE FINANCIAL STATEMENTS

For the year ended 31st March, 2025

Asset-Liability mismatch risk:

Risk arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the Company is successfully able to neutralize valuation swings caused by interest rate movements. The Company ensures that the investment positions are managed within an asset-liability matching (ALM) framework that has been developed to achieve long-term investments that are in line with the obligations under the employee benefit plans.

II. Defined Contribution Plans

During the year, the Company has recognised the following amounts in the Statement of Profit and Loss :-

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024

iii) Sensitivity analysis: The sensitivity of defined obligation to changes in the weighted principal assumptions is:

Assumption	Impact on defined benefit obligation As at March 31, 2025	
	%	DBO Rs.
Discount rate		
0.50% increase	-4.80%	16.27
0.50% decrease	5.20%	17.97
Future salary increase		
0.50% increase	5.30%	17.98
0.50% decrease	-4.90%	16.26

NOTES ON STANDALONE FINANCIAL STATEMENTS

For the year ended 31st March, 2025

Assumption	Impact on defined benefit obligation As at March 31, 2024	
	%	DBO Rs.
Discount rate		
0.50% increase	-5.10%	15.87
0.50% decrease	5.60%	17.67
Future salary increase		
0.50% increase	5.90%	17.71
0.50% decrease	-5.10%	15.87

The above sensitivity analysis is based on a change in assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of defined benefit obligation calculated with the Projected Unit Credit Method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet. The method and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

The following payments are expected contributions to the defined benefit plan in future years:

Particulars	As at March 31, 2025	As at March 31, 2024
Less than a year	4.00	3.00
Between 1- 2 years	0.28	1.10
Between 2 - 5 years	1.94	1.37
Over 5 years	6.15	5.81
Total	12.37	11.28

Capital Management:

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholders value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders. The Capital structure of the Company is as follows:

Particulars	As at March 31, 2025	As at March 31, 2024
Equity share capital	184.74	176.90
Other Equity	1,682.45	1,524.35

Financial risk management

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. The general conditions for compliance with the requirements for proper and future-oriented risk management within the Company are set out in the risk management principles. These principles aim at encouraging all members of staff to responsibly deal with risks as well as supporting a sustained process to improve risk awareness. The guidelines on risk management specify risk management processes, compulsory limitations, and the application of financial instruments. The risk management system aims at identifying, analyzing, managing, controlling and communicating risks promptly throughout the Company. Risk management reporting is a continuous process and part of regular Group reporting. In addition, our Corporate Function Internal Auditing regularly checks whether Company complies with risk management system requirements.

The Company is exposed to credit, liquidity and market risks (foreign currency risk and price risk) during the course of ordinary activities. The aim of risk management is to limit the risks arising from operating activities and associated financing requirements by applying selected derivative and non-derivative hedging instruments.

Credit risk

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and other financial instruments. The balances with banks, loans given to employees, security deposits are subject to low credit risk since the counter-party has strong capacity to meet the obligations and where the risk of default is negligible or nil. Hence, no provision has been created for expected credit loss for credit risk arising from these financial assets.

Trade receivables

Credit risk arises from the possibility that customer will not be able to settle their obligations as and when agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, analysis of historical bad debts, ageing of accounts receivable and forward looking information.

NOTES ON STANDALONE FINANCIAL STATEMENTS

For the year ended 31st March, 2025

Export related trade receivables are fully secured under the Export Credit Guarantee Corporation Scheme and therefore the Company is not exposed to significant credit risk.

The provision for expected credit loss is recognised on the basis of life-time expected credit losses (simplified approach). An expected loss rate is calculated at each year-end, based on combination of rate of default and rate of delay. The Company considers the rate of default and delay.

Liquidity risk

Liquidity risk is the risk that the Company is unable to meet its existing or future obligations due to insufficient availability of cash or cash equivalents. Managing liquidity risk, and therefore allocating resources are some of the central tasks of the Company's management. In order to be able to ensure the Company's solvency and financial flexibility at all times, credit limits and cash and cash equivalents are reserved on the basis of perennial financial planning.

Market risk

Market risk is the risk that fair values or future cash flows of non-derivative or derivative financial instruments will fluctuate due to changes in risk factors. Among market risks relevant to the Company are foreign currency risk and price risks. Associated with these risks are fluctuations in income, equity and cash flow. The objective of risk management is to eliminate or limit emerging risks by taking appropriate precautions, especially by applying derivatives. The application of derivatives is subject to strict controls set up on the basis of guidelines as part of regular reporting. Various measures are used to mitigate or eliminate the risk of fluctuations in the fair value of future cash flows from financial instruments due to market changes. These mainly include foreign currency forward contracts with banks. The use of derivative financial instruments is extensively monitored, with checks being carried out on the basis of policies in the framework of regular reporting.

Foreign currency risk

The international nature of the Company's business activities generates numerous cash flows in different currencies especially in USD, GBP & EURO. To contain the risks of numerous payment flows in different currencies, in particular USD, GBP & EURO, the Company follows group wise policies for foreign currency management.

The Company does not have any material exposure to foreign currency at the balance sheet date.

THE CIRCLE OF BUSINESS

ircular Economy, as a concept, was popularized by the Ellen MacArthur Foundation, in 2010. And, while it quickly became a buzzword, it has probably builds on ideas like Walter Stahel's "Cradle to Cradle" concept from the late 1970s. That concept emphasized designing products and systems to be safe for humans and the environment, and to minimize waste.

Simply put, the circular economy is a model of production and consumption, which involves sharing, leasing, reusing, repairing, refurbishing and recycling existing materials and products as long as possible. In this way, the life cycle of products is extended. It implies reducing waste to a minimum, by keeping materials of products which have reached the end of their life, within the economy where possible. These can be productively used again and again, thereby creating further value.

Of course, this requires a lot of effort on the part of businesses to create a comprehensive and robust framework to enable and encourage recycling. This implies significant investments on the part of business – something that many would be reluctant to commit to, given the focus on short-term profitability.

The UN, on its part, has been encouraging nations and businesses to come together to shape a cleaner, greener, and more sustainable practice. The Paris Accord of 2015, was a landmark agreement which brought 196 nations together in a legally binding agreement to limit global warming. However, as is wont, these big, almost audacious, goals can never be achieved unless all signatories come together in spirit, and in action.

Emmbi firmly believes that the responsibility of moving the needle on limiting and reversing climate change can not rest with the developed nations alone, simply because the largest proportion of the global population lives in the Global South, and their immediate pressing needs are likely to be sustenance, not climate change. As one of the world's leading player in the polymer industry, we recognize our responsibility to act, when others speak. To do the right things, even when nobody's asking us to. To look beyond the immediate, to the long-term.

That is what "Brighter Every Way" means to us.

INDEPENDENT AUDITOR'S REPORT

**TO THE MEMBERS OF
EMMBI INDUSTRIES LIMITED**

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of Emmbi Industries Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March 2025, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and Consolidated Cash Flow Statement for the year then ended on that date and notes to the Consolidated Financial Statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on separate financial statements / financial information of the subsidiaries referred to in the Other Matters section below, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2025 and their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' responsibilities for the audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and audit evidence obtained by other auditors in terms of their reports referred to in "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current year. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Consolidated Financial Statements section of our report, including in relation to these matters.

Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Consolidated Financial Statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Consolidated Financial Statements.

Key Audit Matter	Auditor's Response
<p>Revenue Recognition</p> <p>-The Company recognises revenue from sale of products when performance obligations are fulfilled at the time of dispatch.</p> <p>-We identified the Company's assessment of the timing of fulfilment of its performance obligation towards the customers at point of time of dispatch to goods as a key audit matter since application of revenue recognition accounting standard (IND AS 115, Revenue from Contracts with customers) is complex and involves a number of key judgements and estimates in mainly identifying performance obligations and related transaction price.</p> <p>-(See Note 3.4 & Note 25 to the consolidated financial statements)</p>	<p>In view of the significance of the matter we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:</p> <p>-We obtained an understanding of the revenue recognition processes, systems and controls implemented by the Company for recording revenue and tested the Company's controls around the timely and accurate recording of sales transactions;</p> <p>-On selected specific samples of contracts, we tested that the revenue recognised is in accordance with the revenue recognition accounting standard including</p> <p>- Evaluated the identification of performance obligations and the ascribed transaction price; and</p> <p>-Verified the underlying sales contracts and other related documents that evidence the dispatch and shipment of goods to the customers.</p>

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board Report including annexures thereon but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Holding Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance including total comprehensive income, consolidated changes in equity and the consolidated cash flows of the Group in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India.

The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system with reference to Consolidated Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company of which we are the independent auditors' regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial information of 1 subsidiary, whose financial information reflect total assets of Rs. 52.70 Lakhs as at 31st March, 2025 (PY Nil), total revenues of Rs. Nil (PY Nil) and net cash inflows amounting to Rs. 27.13 Lakhs (PY cash inflows of Rs.Nil) for the year ended on that date, as considered in the Consolidated Financial Statements. The aforesaid financial information has been only reviewed by us and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based on the such review. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Our opinion on the consolidated financial statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the Consolidated Financial Statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books except for the matters stated in paragraph 1(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - c.  - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act.
 - e. On the basis of the written representations received from the directors of the Holding Company as on March 31, 2025 taken on record by the Board of Directors of the Company, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act. There are no subsidiary companies in India, and, therefore, this is not applicable to directors of subsidiary companies.

- f. The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 1(b) above on reporting under Section 143(3)(b) of the Act and paragraph 1(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- g. With respect to the adequacy of the internal financial controls with reference to Consolidated Financial Statements of the Holding Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements. There are no subsidiary companies in India, and, therefore, this is not applicable to subsidiary companies.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and according to the information and explanation given to us, the remuneration paid during the current year by the Holding Company to its directors is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Holding Company, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us. There are no subsidiary companies in India, and, therefore, this is not applicable to subsidiary companies.

- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Group has disclosed the impact of pending litigations on its consolidated financial position in its Consolidated Financial Statements.
 - ii) The Group doesn't have any long term contracts including derivative contracts requiring provision for material foreseeable losses.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the entities of the Group.

The respective Managements of the Holding Company and its subsidiaries, whose financial statements have been audited under the Act, have represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The respective Managements of the Holding Company and its subsidiaries, whose financial statements have been audited under the Act, have represented, that, to the best of its knowledge and belief, no funds have been received by the Holding Company or any of such subsidiaries from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c) Based on such audit procedures, that have been considered reasonable and appropriate in the circumstances performed by us on the Holding Company and its subsidiaries whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii), as provided under a) and b) above, contain any material misstatement.
- v. The dividend declared or paid during the year by the Holding Company is in compliance with Section 123 of the Act.
- vi. Based on our examination, which includes test checks, the Holding company has used such accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention. There are no subsidiary companies in India, and, therefore, this is not applicable to directors of subsidiary companies.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the Consolidated Financial Statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports. There are no subsidiary companies in India, and, therefore, this is not applicable to directors of subsidiary companies

ANNEXURE – A TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in Paragraph 1(g) of the Report on Other Legal and Regulatory Requirements’ in our report of even date)

Report on the Internal Financial Controls with reference to the Consolidated Financial Statements under Clause (i) of Sub Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. In conjunction with our audit of the Consolidated Financial Statements of Emmbi Industries Ltd. (“the Parent”) as of 31st March, 2025, we have audited the internal financial controls with reference to the Consolidated Financial Statements of the Holding Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2. The Holding Company’s management is responsible for establishing and maintaining internal financial controls with reference to the Consolidated Financial Statements based on internal controls Financial reporting criteria established by the company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Parent’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act 2013 (“ the Act”).

Auditor’ Responsibility

3. Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risk of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company’s internal financial controls with reference to Consolidated Financial Statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

6. A company’s internal financial controls with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the Consolidated Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Holding Company has, in all material respects, an adequate internal financial controls system with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at 31st March 2025, based on the internal controls with reference to Consolidated Financial Statements criteria established by the Holding Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial reporting issued by ICAI.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For The Year Ended On March 31, 2025

NOTE: 1 COMPANY OVERVIEW

EMMBI INDUSTRIES LIMITED (“Emmbi” or “The Holding Company”) is a public limited company incorporated and domiciled in India and has its registered office at Silvassa, UT of Dadra & Nagar Haveli and Daman & Diu, India. The Holding Company has its primary listings on the BSE Limited and National Stock Exchange (India) Limited. The financials were authorized for issuance by the Holding Company’s Board of Directors and Audit Committee on May 24th 2025.

The principal activities of the Holding Company comprise of Manufacturing of HDPE & PP - Woven Polymer Based Products.

These Consolidated Financial Statements of the Holding Company and the subsidiaries (“Group”) includes the financial statements of the following subsidiaries controlled by the Holding Company:

1. Zastian PTE Limited (Singapore)
2. Zastian Europe GmbH (Germany)

NOTE: 2 BASIS OF PREPARATION AND MEASUREMENT

2.1 Statement of Compliance

The Consolidated Financial Statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015, as amended, and other relevant provisions of the Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in use.

The Separate financial statements are presented in addition to the Consolidated Financial Statements presented by the Group.

2.2 Accounting Convention and Basis of Measurement

The Consolidated Financial Statements have been prepared on the historical cost convention and on an accrual basis, except the following material items that have been measured at fair value as required by relevant Ind AS:

- i. Certain financial assets measured at fair value (refer accounting policy on financial instruments)
- ii. Defined benefit and other long – term employee benefits.

2.3 Functional and presentation currency

The financial statements are presented in Indian rupees, which is the functional currency of the company and the currency of the primary economic environment in which the company operates. All financial information presented in Indian rupees has been rounded to the nearest millions of rupees except share and per share data.

2.4 Use of Judgements, estimates and assumptions

The preparation of consolidated financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses and the disclosure of contingent liabilities and contingent assets. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions in respect of following areas, that have most significant effect to the carrying amounts within the next financial year are included in the relevant notes.

- i. Useful Lives and Residual values of property, plant and equipment and intangibles.
- ii. Measurement of defined benefit obligations.
- iii. Measurement and likelihood of occurrence of provisions and contingencies.
- iv. Recognition of deferred tax assets.

2.5 Operating Cycle

Based on the nature of products / activities of the Group and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.6 Principles of consolidation

Subsidiaries are all entities over which the Group has control. Control is achieved when the Group has power over the investee, is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to use its power to affect its returns. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases. When the Company has less than a majority of the voting rights of an investee, it considers that it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give it power, including:

- the size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Company, other vote holders or other parties;
- rights arising from other contractual arrangements; and
- any additional facts and circumstances that indicate that the Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Wherever necessary and relevant, adjustments are made to the financial statements of subsidiaries to bring the accounting policies used into line with the Group's accounting policies. Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

NOTE: 3 SUMMARY OF MATERIAL ACCOUNTING POLICIES

3.1 Property, Plant and Equipment (PPE)

- i. Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any.
- ii. The cost of property, plant and equipment includes those incurred directly for the construction or acquisition of the assets, and directly attributable to bringing it to the location and condition necessary for it to be capable of operating in the manner intended by the management.
- iii. The cost of major spares is recognised in the carrying amount of the item of property, plant and equipment, in accordance with the recognition criteria set out in the standard. The carrying amount of the replaced part is derecognized at the time of actual replacement. The costs of day-to-day servicing of the item are recognised in statement of profit and loss as incurred.
- iv. Depreciation on tangible assets including those on leasehold premises is provided under straight line method over the useful life of assets specified in Part C of Schedule II to the Companies Act, 2013 and in the manner specified therein, except in respect of dyes and moulds which are depreciated over their technically estimated useful lives on straight line method.
- v. Depreciation methods, useful lives and residual values are reviewed at each reporting date and accounted as change in accounting estimate.
- vi. Each component / part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately only when it has a different useful life. The gain or loss arising from the de-recognition of an item or property, plant and equipment is included in statement of profit and loss when the item is derecognized.
- vii. Expenditure attributable / relating to PPE under construction / erection is accounted as below:
 - A. To the extent directly identifiable to any specific plant /unit, trial run expenditure net of revenue is included in the cost of property, plant and equipment.
 - B. To the extent work not completed to any specific plant /unit, is grouped under 'capital work-in-progress'.

3.2 Intangible Assets

- i. Intangible asset is recognised when it is probable that future economic benefits are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably.
- ii. Brand and Knowledge Development Cost is recognized as intangible asset upon completion of development and commencement of commercial production.
- iii. Intangible assets are amortized on straight line method over their technically estimated useful lives.
- iv. Useful lives for all intangible assets are reviewed at each reporting date. Changes, if any, are accounted for as changes in accounting estimates.

3.3 Inventories are valued as under:

I) Raw materials, components, consumables and stores & spares	Cost or net realisable value, whichever is lower.
II) Work in progress and finished goods	Net realisable value or cost of materials plus cost of conversion and other costs incurred in bringing them to the present location and condition, whichever is lower
III) Consumable Spares	Cost or net realisable value, whichever is lower.

3.4 Revenue from contracts with customers

The Group derives revenues primarily from sale of HDPE & PP - Woven Polymer Based Products.

Ind AS 115 "Revenue from Contracts with Customers" provides a control-based revenue recognition model and provides a five step application approach to be followed for revenue recognition.

- Identify the contract(s) with a customer;
- Identify the performance obligations;
- Determine the transaction price;
- Allocate the transaction price to the performance obligations;
- Recognise revenue when or as an entity satisfies performance obligation

Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding central taxes or duties collected on behalf of the Government. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is being made. The Group discloses amounts including Goods and Services Tax collected on behalf of the Government for better and more transparent disclosures. However, Revenue from Operations stated in the Statement of Profit and Loss is net of GST collected from the customer.

Sale of goods

- a. Inland sales have been accounted for at the time of dispatch of goods from the factory as the sales are on FOB basis.
- b. Export sales have been accounted for at the time of dispatch of goods from the factory as the sales are on FOB basis.

3.5 Employee Benefits

i) Short Term Benefits:

All employee benefits falling due wholly within twelve months of rendering the services are classified as short term employee benefits. The cost of the benefits like salaries, wages, medical, leave travel assistance, short term compensated absences, bonus, exgratia, etc. is recognised in the period in which the employee renders the related service.

ii) Post Employment Benefits:

A) Defined contribution plans:

The contribution paid/ payable under provident fund scheme, ESI scheme and employee pension scheme is recognised as expenditure in the period in which the employee renders the related service.

B) Defined Benefit Plans:

The Group's obligation towards gratuity is a benefit plan. The present value of the estimated future cash flows of the obligation under such plan is determined based on actuarial valuation using the projected unit credit method. Any difference between the interest income on plan assets and the return actually achieved and any changes in the liabilities over the year due to changes in actuarial assumptions or experienced adjustments within the plan are recognised immediately in other comprehensive income and subsequently not reclassified to the statement of profit and loss.

3.6 Foreign Currency Transactions

- i. Transactions relating to non-monetary items and sale of goods/ services denominated in foreign currency are recorded at the exchange rate prevailing or a rate that approximates the actual rate on the date of transactions.
- ii. Assets and liabilities in the nature of monetary items denominated in foreign currency are restated at prevailing exchange rate as at the end of the reporting period.
- iii. Exchange differences arising on account of settlement/conversion of foreign currency monetary items are recognised as expense or income in the period in which they arise.

3.7 Current Tax and Deferred Tax

i) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

ii) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profits differ as reported in the statement of profit and loss because of items of income and expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Provisions of Section 115BAA of the Income tax Act, 1961 gives benefit of a reduced corporate tax rate for domestic companies and states that the domestic companies have the option to pay tax a rate of 25.168%. During the previous year FY 2023-24, the Holding Company adopted and shifted to the new tax regime. The impact of this change led to the reduction in the direct tax outflow of the Holding Company.

iii) Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all temporary differences to the extent that it is possible that taxable profits will be available against those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

3.8 Borrowing Costs

- i. Borrowing costs incurred for obtaining assets which take substantial period to get ready for their intended use are capitalized to the respective assets wherever the costs are directly attributable to such assets and in other case by applying weighted average cost of borrowings to the expenditure on such assets. Post the commercial production or trial run, borrowing cost will be treated as expense for the year.
- ii. Other borrowing costs are treated as expense for the year.

3.9 Financial instruments (Financial assets and financial liabilities)

- i. All financial instruments are recognised initially at fair value. The classification of financial instruments depends on the objective of the business model for which it is held and the contractual cash flows that are solely payments of principal and interest on the principal amount outstanding. For the purpose of subsequent measurement, financial instruments of the Group are classified into (a) Non-Derivative financial instruments and (b) Derivative financial instruments.
- ii. Financial Instruments
 - A) Security deposits, cash and cash equivalents, employee and other advances, trade receivables and eligible current and non-current financial assets are classified as financial assets under this clause.
 - B) Loans and borrowings, trade and other payables including deposits collected from various parties and eligible current and non-current financial liabilities are classified as financial liabilities under this clause.
 - C) Financial instruments are subsequently carried at amortized cost wherever applicable using Effective Interest Rate method (EIR) less impairment loss.
 - D) Transaction costs that are attributable to financial instruments are recognized at amortized cost which are included in the fair value of such instruments.

3.10 Impairment

i. Financial Assets

A) The company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure.

- Financial assets that are debt instruments, and are measured at amortized cost wherever applicable for e.g. loans, debt securities, deposits, and bank balance.
- Trade Receivables

B) The company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component. The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

ii. Non-financial Assets

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial asset is impaired. If any such indication exists, the company estimates the amount of impairment loss.

3.11 Provisions

- Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefit will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.
- The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risk and uncertainties surrounding the obligation
- When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

3.12 Earnings Per Share (EPS)

- Basic EPS is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year/ period.
- Diluted EPS is computed by dividing the profit after tax, as adjusted for dividend, interest and other charges to expenses or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic EPS and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

3.13 Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Group as a Lessee

The Group accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non lease components.

The Group recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is

subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets (presented under property, plant and equipment in the Balance Sheet) is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Group measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Group uses incremental borrowing rate. For leases with reasonably similar characteristics, the Group, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Group is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments.

The Group recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Group recognises any remaining amount of the remeasurement in statement of profit and loss.

The Group has elected not to apply the requirements of Ind AS 116 to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

Group as a Lessor

At the inception of the lease the Group classifies each of its leases as either an operating lease or a finance lease. The Group recognises lease payments received under operating leases as income on a straight-line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease. When the Group is an intermediate lessor it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short term lease to which the Group applies the exemption described above, then it classifies the sub-lease as an operating lease. If an arrangement contains lease and non-lease components, the Group applies Ind AS 115 Revenue to allocate the consideration in the contract.

3.14 Business Combinations

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred for the acquisition of a subsidiary/ demerged undertaking comprises of :

- fair values of the assets transferred;
- liabilities incurred to the former owners of the acquired business;
- equity interests issued by the group; and
- fair value of any asset or liability resulting from a contingent consideration arrangement.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date. The group recognises any non-controlling interest in the acquired entity on an acquisition-by-acquisition basis at the non-controlling interest's proportionate share of the acquired entity's net identifiable assets. Acquisition-related costs are expensed as incurred.

The excess of the

- consideration transferred;
- amount of any non-controlling interest in the acquired entity, and
- acquisition-date fair value of any previous equity interest in the acquired entity

over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Where settlement of any part of cash consideration is deferred, the amounts payable in the future are discounted to their present value as at the date of exchange. The discount rate used is the entity's incremental borrowing rate, being the rate at which a similar borrowing could be obtained from an independent financier under comparable terms and conditions.

Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently remeasured to fair value with changes in fair value recognised in profit or loss.

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date. Any gains or losses arising from such remeasurement are recognised in profit or loss or other comprehensive income, as appropriate.

3.15 Going Concern

The directors have, at the time of approving the financial statements, a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. When preparing financial statements, management makes an assessment of the group's ability to continue as going concern. Financial statements is prepared on going concern basis unless management either intends to liquidate the group or to cease trading, or has no realistic alternative but to do so. When management is aware, in making its assessment, of material uncertainties related to events or conditions that may cast significant doubt upon the group's ability to continue as going concern, those uncertainties are disclosed. When the financial statement is not prepared on a going concern basis, that fact is disclosed, together with the basis on which the financial statement is prepared and the reason why the group is not regarded as going concern.

3.16 Subsequent Events

Financial statements are approved after considering 'Adjusting Event' and 'Non-adjusting event'. Adjustments to assets and liabilities are made for events occurring after the Balance Sheet date that provide additional information materially affecting the determination of the amounts relating to conditions existing at the Balance Sheet date or because of statutory requirements or because of their special nature. For non-adjusting events, the Group may provide a disclosure in the financial statement considering the nature of the transaction.

4.1 Changes in accounting policies and disclosures New and amended standards effective in current year that begins on or after 1 April 2024

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Group w.e.f. April 1, 2024. The Group has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.

4.2 Standards issued but not yet effective up to the date of Financial Statements:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. MCA has notified amendments to the existing standards IND AS 21: The Effects of changes in Foreign Exchange rates applicable to the Group w.e.f. April 01, 2025 to address concerns about currency exchangeability and provide guidance on estimating spot exchange rates when a currency is not exchangeable. There is no significant impact on the Group in the current year.

NOTE 41: EMPLOYEE BENEFIT OBLIGATIONS

The Group has classified the various employee benefits provided to employees as under:

(INR in Millions)

Particulars	March 31, 2025	March 31, 2024
I. Defined Benefit Plans		
Gratuity		
Non-Current	17.09	-
Total	17.09	-

Salary escalation rate	3.50% p.a.	-
Retirement age	58 years	-
Mortality rate	Indian Assured Lives Mortality (2012-14) Ultimate Mortality Rates	-

B. Risk Exposure

Through its defined benefit plan, the Company is exposed to a number of risks, the most significant of which are detailed below.

Life expectancy:

This is particularly significant where inflationary increases result in higher sensitivity to changes in life expectancy.

Future salary increase and inflation risk:

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 31ST March, 2025

Asset-Liability mismatch risk:

Risk arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the Company is successfully able to neutralize valuation swings caused by interest rate movements. The Company ensures that the investment positions are managed within an asset-liability matching (ALM) framework that has been developed to achieve long-term investments that are in line with the obligations under the employee benefit plans.

II. Defined Contribution Plans

During the year, the Company has recognised the following amounts in the Statement of Profit and Loss :-

Present value of unfunded obligation	17.09	-
Fair value of plan assets	-	-
Surplus of funded plan	17.09	-

iii) Sensitivity analysis

The sensitivity of defined obligation to changes in the weighted principal assumptions is:

Assumption	Impact on defined benefit obligation March 31, 2025	
	%	DBO Rs.
Discount rate		
0.50% increase	-4.80%	16.27
0.50% decrease	5.20%	17.97
Future salary increase		
0.50% increase	5.30%	17.98
0.50% decrease	-4.90%	16.26

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 31ST March, 2025

Assumption	Impact on defined benefit obligation March 31, 2024	
	%	DBO Rs.
Discount rate		
0.50% increase	-	-
0.50% decrease	-	-
Future salary increase		
0.50% increase	-	-
0.50% decrease	-	-

The above sensitivity analysis is based on a change in assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of defined benefit obligation calculated with the Projected Unit Credit Method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet. The method and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

The following payments are expected contributions to the defined benefit plan in future years:

Particulars	March 31, 2025	March 31, 2024
Less than a year	4.00	-
Between 1- 2 years	0.28	-
Between 2 - 5 years	1.94	-

Capital Management:

The Group's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholders value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders. The Capital structure of the Company is as follows:

Particulars	March 31, 2025	March 31, 2024
Equity share capital	184.74	-
Other Equity	1,678.76	-
Total Equity	1,863.50	-

Financial risk management

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. The general conditions for compliance with the requirements for proper and future-oriented risk management within the Company are set out in the risk management principles. These principles aim at encouraging all members of staff to responsibly deal with risks as well as supporting a sustained process to improve risk awareness. The guidelines on risk management specify risk management processes, compulsory limitations, and the application of financial instruments. The risk management system aims at identifying, analyzing, managing, controlling and communicating risks promptly throughout the Company. Risk management reporting is a continuous process and part of regular Group reporting. In addition, our Corporate Function Internal Auditing regularly checks whether Company complies with risk management system requirements.

The Company is exposed to credit, liquidity and market risks (foreign currency risk and price risk) during the course of ordinary activities. The aim of risk management is to limit the risks arising from operating activities and associated financing requirements by applying selected derivative and non-derivative hedging instruments.

Credit risk

The Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and other financial instruments. The balances with banks, loans given to employees, security deposits are subject to low credit risk since the counter-party has strong capacity to meet the obligations and where the risk of default is negligible or nil. Hence, no provision has been created for expected credit loss for credit risk arising from these financial assets.

Trade receivables

Credit risk arises from the possibility that customer will not be able to settle their obligations as and when agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, analysis of historical bad debts, ageing of accounts receivable and forward looking information.

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS

For the year ended 31ST March, 2025

Export related trade receivables are fully secured under the Export Credit Guarantee Corporation Scheme and therefore the Company is not exposed to significant credit risk.

The provision for expected credit loss is recognised on the basis of life-time expected credit losses (simplified approach). An expected loss rate is calculated at each year-end, based on combination of rate of default and rate of delay. The Company considers the rate of default and delay.

There is no significant expected loss recognised.

Liquidity risk

Liquidity risk is the risk that the Company is unable to meet its existing or future obligations due to insufficient availability of cash or cash equivalents. Managing liquidity risk, and therefore allocating resources are some of the central tasks of the Company's management. In order to be able to ensure the Company's solvency and financial flexibility at all times, credit limits and cash and cash equivalents are reserved on the basis of perennial financial planning.

Market risk

Market risk is the risk that fair values or future cash flows of non-derivative or derivative financial instruments will fluctuate due to changes in risk factors. Among market risks relevant to the Company are foreign currency risk and price risks. Associated with these risks are fluctuations in income, equity and cash flow. The objective of risk management is to eliminate or limit emerging risks by taking appropriate precautions, especially by applying derivatives. The application of derivatives is subject to strict controls set up on the basis of guidelines as part of regular reporting. Various measures are used to mitigate or eliminate the risk of fluctuations in the fair value of future cash flows from financial instruments due to market changes. These mainly include foreign currency forward contracts with banks. The use of derivative financial instruments is extensively monitored, with checks being carried out on the basis of policies in the framework of regular reporting.

Foreign currency risk

The international nature of the Company's business activities generates numerous cash flows in different currencies especially in USD, GBP & EURO. To contain the risks of numerous payment flows in different currencies, in particular USD, GBP & EURO, the Company follows group wise policies for foreign currency management.

The Company does not have any material exposure to foreign currency at the balance sheet date.
