

Emmbi Polyarns reports 33% rise in revenue

IndiaMART News, Wednesday, Nov 17, 17:19:55 PM IST

MUMBAI: Emmbi Polyarns Limited, a woven polyethylene and polypropylene product manufacturer, has reported a 33 per cent increase in its revenue which stood at Rs 17.8 crore in the second quarter ended September 30, 2010.

The net profit in the July-September quarter this year stood at Rs 84.50 crore and its earnings per share (EPS) stood at Rs 0.51.

Mr. Makrand Appalwar, MD, Emmbi Polyarns Ltd. Said, "We are seeing a strong demand environment across our industry verticals and helped us expand our revenue, while there is a marginal growth in the profit because company has to employ lots of new employees in view of the completing expansion."
