

# EMMBI Foundation CSR Activity 2023-24

# Introduction

Emmbi Foundation Trust, established in 2015, is the philanthropic arm of Emmbi Industries, dedicated to environmental and societal welfare. Focused on preventive healthcare, sanitation, and comprehensive health awareness, the foundation also promotes education and vocational skills for children, women, the elderly, and the disabled through various rural development projects.

# Emmbi Foundation Overview

## Mission:

"To make a positive impact on the lives of people and the planet by promoting environmental sustainability, education, healthcare, and women empowerment, and to inspire a culture of social responsibility and ethics in all our dealings."

## Vision:

"To create a society where everyone has access to quality education, healthcare, and a healthy environment, and where women and marginalized communities are empowered to reach their full potential."

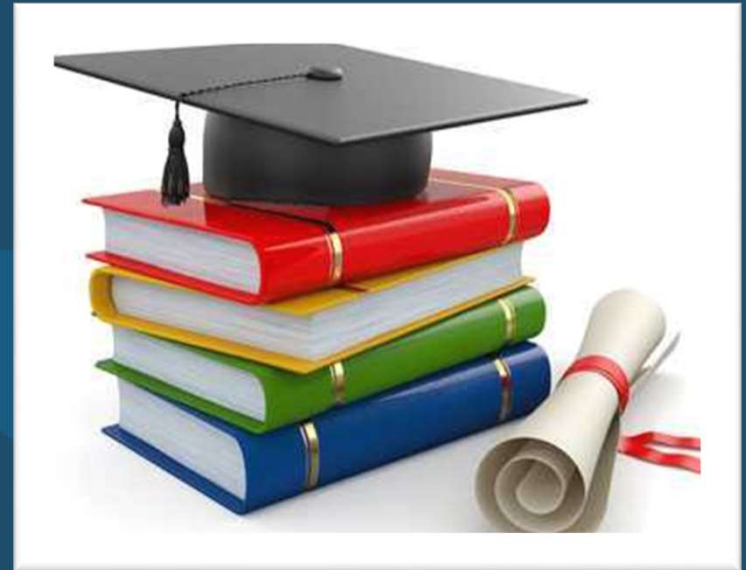

# CSR Policy

The company has a strong commitment to corporate social responsibility and has set high ethical standards for all its dealings. The CSR policy focuses on the following areas:

- **Environmental Sustainability:** Promoting environmentally friendly practices and reducing the company's ecological footprint.
- **Education:** Supporting education initiatives and promoting literacy among underprivileged communities.
- **Healthcare:** Providing access to quality healthcare services and promoting health awareness among marginalized groups.
- **Support to socially and economically weaker sections:** Empowering vulnerable communities and promoting their overall well-being.
- **Women Empowerment:** Promoting gender equality and empowering women through education, skill development, and economic opportunities.

# Education Sponsorship Activity

"Emmbi Foundation supported **11 underprivileged students** in the last financial year by paying their school and college fees. This initiative helped alleviate the financial burden on their families and empowered these deserving students to pursue their dreams. By investing in their education, we are shaping a brighter future for them."

INDUSTRIES LIM

# Medical Help

"Emmbi Foundation extended a helping hand to **26 poor individuals in need of medical care** in the last financial year. We provided them with necessary medical assistance, ensuring they received the treatment they deserved. This initiative brought relief and hope to those struggling with health issues, improving their overall well-being."

# Corporate Social Responsibility Committee:

The company has constituted a CSR Committee to oversee and implement its CSR initiatives.

The committee consists of:

- Dr. Venkatesh G. Joshi: Chairman
- Mr. Rama A. Krishnan: Member
- Mrs. Rinku M. Appalwar: Member

# EMMBI Foundation CSR Activity 2023-24

In pursuit of our commitment to corporate social responsibility, the EMMBI Foundation undertook several impactful initiatives throughout 2023-24. Here is a concise overview of our key activities:

# Women's Breast Cancer Check-up Camp

Breast cancer check-up camp was organized in Silvassa, benefiting numerous women. This initiative aimed to promote women's health and well-being.

# Environment Day Tree Plantation Drive

INDUSTRIES LIMITED

In Jalna, District, a significant event was organized on Environment Day, where 300 trees were planted across two villages in June and July. This initiative contributes to our commitment to environmental sustainability.

# Tree Plantation at Sangli District

INDUSTRIES LIMITED

Continuing our environmental efforts, 250 trees were planted in the talukas of Sangli District in August. This initiative aimed to enhance green cover and biodiversity in the region.

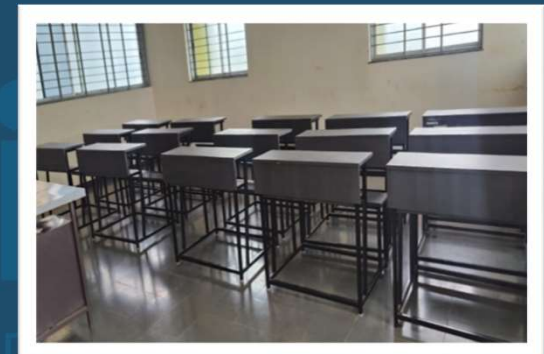

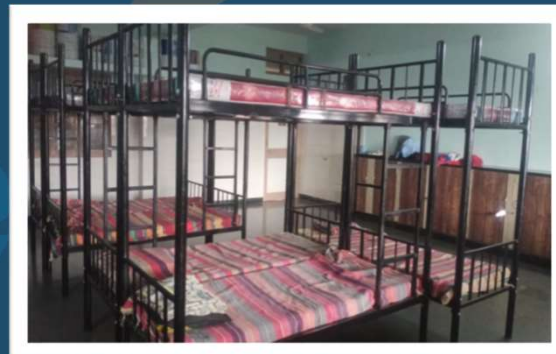

# Education Material Kits Distribution

EMMBI Foundation contributed to the education sector by distributing 100 education material kits to underprivileged students at ZP School, Kavthemahakal, Sangli District. This initiative aimed to support students in their academic journey

# Donation to Sneh Jyoti Physical Challenge BLIND School, Athani, Karnataka

In a heartfelt gesture, the foundation donated musical instruments (dholak, tabla, harmonium), along with a deck bench, bunk bed, and a biogas system to Sneh Jyoti Physical Challenge BLIND School in Athani, Karnataka. This donation aimed to enhance the learning and living environment for differently-abled students.

# Coconut Plant Distribution Project

Emmbi Foundation, in line with its commitment to sustainable agriculture and rural development, distributed coconut trees to local farmers. The initiative aimed to benefit the farmers by **distributing 1120 coconut trees in 18 villages of Aurangabad and Nagar districts.**

# ZP School Sanitation Project Sinner, Nashik

Emmbi Foundation has made significant contributions to the Adwadi Village, Sinner, District Nashik ZP School, focusing on revitalising its infrastructure, improving sanitation facilities, and tree plantation work. This initiative underscores our commitment to enhancing educational environments and promoting community well-being.

Thank you...
