Due to this dedicated facility, we will achieve the operational excellence which ultimately helps us to grow our business worldwide and satisfy our customer from every part of the world.

Old Ones In The Zoo

My name is **Ritika Banerjee**. I have completed 1 year in Emmbi. In the beginning, I was confused, whether should I join a growing company or a well established company. But after joining Emmbi, my views were changed. I got to learn many new things from my co-operative seniors. My best buddies in Emmbi are Priyanka, Neha Mam, Kaushal Sir, Rasika, Sayali Pange, Sayali Kulkarni, and Monica. My punch line for life is " Never Give Up, No Matter What & Keep Going With Smile on Your Face".

I am **Sandeep Chavare**. I have completed 1 year in Emmbi, It was a good time working with Emmbi family. I am thankful to Rinku Mam, Makrand Sir & Bharat Sir for always being supportive. Emmbi has provided good working environment & great culture. It has been a great learning experience at Emmbi. I am thankful to my Colleagues who helped me to understand working process in initial stage. Everyone in emmbi family is my friend.

I am **Pravin Gujare**. I am working in Emmbi since 5 years and as an employee, I have learnt a lot of things about quality and production from this company. Emmbi has a good team work and good co-ordination between management and employees. I got lot of support from our top management, seniors and colleagues. I feel people should be more aware about safety norms and quality of products. And now emmbi has completed 20 years, I wish the best for whole Emmbi team to go ahead and achieve more success.

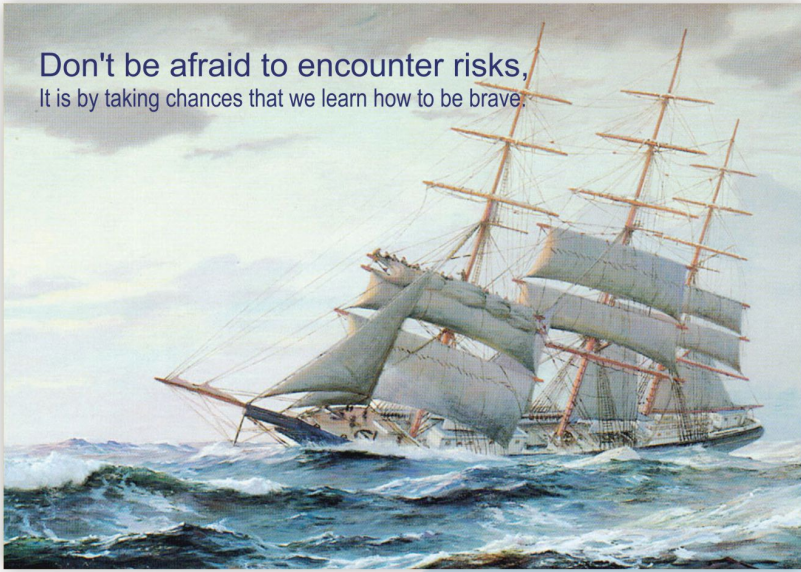

मैं **मिथिलेश भगत**. मैं, एम्बी के गुणवत्ता विभाग में, ९ साल से काम कर रहा हूँ। एम्बी में अब तक का मेरा सफर अच्छा रहा है। यहाँ का मिलजुलकर काम करने का तरीका मुझे बहुत अच्छा लगता है। सभी ऐसे ही मिलकर काम करें और कंपनी को आगे बढ़ाएँ यही इच्छा है। श्री सावंतजी और श्री देशपाण्डेयजी मेरे बहुत अच्छे दोस्त हैं।

Hello I am **Dinesh Sapariya**. I have been working with emmbi since last 4 years. The atmosphere at emmbi is just like a family. The motivation received through PLI system always keeps us boosted with the thirst to perform better. Also because of lean management lot of things are now organized which were initially unorganized. As a part of improvement, I feel as all have many financial commitments which we have to fulfil in 1st week of month hence if possible changing the pay-out cycle can be thought of. I can not specify a single name here, as my best buddy, because everybody help us in every field if I mentioned specifically in my department then I straight away say Shalini who is always there to coordinate and help. My best wishes are always with management for further growth as they have always been selfless in nature, they always have a thought for the betterment of society.

Don't be afraid to encounter risks,
It is by taking chances that we learn how to be brave.

Life Is.... - Mother Teresa

Life is an opportunity, benefit from it.
Life is beauty, admire it.
Life is a dream, realize it.
Life is a challenge, meet it.
Life is a duty, complete it.
Life is a game, play it.
Life is a promise, fulfill it.
Life is sorrow, overcome it.
Life is a song, sing it.
Life is a struggle, accept it.
Life is a tragedy, confront it.
Life is an adventure, dare it.
Life is luck, make it.
Life is too precious, do not destroy it.
Life is life, fight for it.
