

Emmbi Industries Limited

“Fastest Growing Manufacturing Company”

Emmbi Industries Limited has won the “**IPF Industrial Excellence Award**” in the category **Fastest Growing Manufacturing Company** under the Plastic, Paper and Packaging segment. The prestigious award was initiated by Industrial Product Finder (IPF).

Industrial Product Finder (IPF), India's largest circulated industrial magazine, has hosted its fifth IPF Industrial Excellence Award, with ultimate motive of appreciating and acknowledging the fastest growing manufacturing companies as well the companies which manufacture products that meet the standards of Product Excellence. It is great honor to win the Prestigious Award.
