**Bhavi Gandhi**  
**Company Secretary and Compliance Officer**

Encl: As stated above

**FY 2023-24 Performance:**

Revenue from Operations grew by more than 17% Q3 FY 23-24 (Y-o-Y)

**Mumbai, February 14, 2024**

Commenting on the performance Mr. Makrand Appalwar, Chairman & Managing Director, Emmbi Industries Limited said, “Sustainability is not just a fancy word, it is a way of life. Long and full of challenges. People, Corporations & Governments all over the world, will have to understand, plan and implement thought of sustainability in every walk of the life.

At Emmbi, we are focused to reduce the consumption of Virgin Polymer in our products without compromising the quality of the Product, increasing Cost of Consumption and compromising User Comfort.”

<b>EBITDA</b>	95.43	80.64
<b>PAT</b>	23.71	10.53

**About Emmbi Industries Limited:**

Emmbi Industries Limited is a well-established brand in polymer processing and a niche player with advance applications in the areas of water management, agriculture, packaging, advanced composites, geo-textiles, and various other polymer-based materials. Emmbi is one of the largest exporters of the polymer products manufactured from Recycled polymer resin under the brand Reclaim 30. Around 18 % of the total raw material consumed by Emmbi comes from the sources post-consumer and post-industrial polymer waste. Emmbi has consistently built a great reputation amongst all stakeholders operating in over 70 countries for over 25 years.

**About Avana:**

*Avana is aimed at developing affordable technologies to empower farmers to grow out of poverty. Avana's flagship technology, Jalasanchay, is the world's most cost-effective end-to-end water conservation solution. Through this department, Emmbi has reached 20000 plus farmers across Maharashtra, Rajasthan and Karnataka. Apart from bringing a fresh perspective, Avana is tasked with creating a purpose-led, inspiring workplace that attracts the right kind of talent to deliver on their vision.*
